INT. BASKETBALL COURT - NIGHT

A YOUNG BOY (14, headband) rotates around the three point line as an OLDER KID (16) feeds him the ball from the paint.

The Young Boy doesn't miss.

SWISH.

 OLDER KID
You know you're gonna be great
right?

SWISH.

 OLDER KID (CONT'D)
You're great **now**. **And still** you're
gonna be great.

SWISH.

 OLDER KID (CONT'D)
You're gonna get better every year.

SWISH.

 OLDER KID (CONT'D)
And every year. You're gonna be the
best.

SWISH. SWISH.

 OLDER KID (CONT'D)
They'd kill to be you.

SWISH. SWISH.

 OLDER KID (CONT'D)
They're gonna beg to be where you
used to be.

SWISH. SWISH. SWISH.

 OLDER KID (CONT'D)
And they're never.

The young kid runs to the hoop and gathers the ball.

He pivots on a dime and explodes to the opposite basket.

 OLDER KID (CONT'D)
Ever.

He spins and glides the ball between his legs.
 Crossover. Hesitation. It's a handles clinic.
 He approaches the basket and gathers into a euro-step.

OLDER KID (CONT'D)
 Gonna come close.

He takes off and brings down a reckless **two handed slam**.
 The young boy hangs on the rim for good measure. He swings
 back and forth before dropping back to earth.

YOUNG BOY
 You think so?

OLDER KID
 I know so.
 (beat)
 Do you think you could kiss someone
 and keep it a secret.

YOUNG BOY
 Yes.

INT. STAPLES CENTER BASKETBALL COURT - NIGHT

SUPERIMPOSE: Los Angeles, California. 2019

The Lakers are playing the Hornets. Tony Parker dribbles the
 ball past the half court line.

LONZO BALL
 If I could just touch that ball,
 then I'm sure I could score a point
 or two.

BRANDON INGRAM
 If we can control the ball, the
 game will be ours for the taking.

JOSH HART
 I wish we had the ball instead of
 the other team.

KYLE KUZMA
 Ball.

LEBRON JAMES
What's wrong with you
motherfuckers.

Tony starts to cook.

TONY PARKER
Écran! Écran!

LONZO BALL
He's speaking in some other
language. I'm fucking scared.

KYLE KUZMA
Bron what do we do.

BRANDON INGRAM
I'll kill him.

LEBRON JAMES
We should play basketball.

LONZO BALL
Got it.

JOSH HART
Great plan, LeBron.

KYLE KUZMA
That's perfect we'll just play
basketball, great idea LeBron
James, we got it, we won't let you
down.

Tony dribbles between his legs. Lonzo bites and whiffs on a
steal. Tony blows past him and scores.

LUKE WALTON
TIME OUT!

INT. STAPLES CENTER SIDELINE - CONTINUOUS

The Lakers regroup at their bench. Luke is sweating bullets.

CLOSE ON: The scoreboard reads "LA 27 - 94 CHA"

JOSH HART
We can win this game guys. We just
gotta dig deep. Right, LeBron?

LONZO BALL
I know the score looks bad, but we
have got LeBron James on our team.
(MORE)

LONZO BALL (CONT'D)
 With a bit of digging we can dig
 our way out of this.

KYLE KUZMA
 With LeBron James we cannot lose.

LeBron stares at the scoreboard, not listening at all.

LUKE WALTON
 Right, LeBron?

He snaps back to the game.

LEBRON JAMES
 Yea...Yeah. Listen. Turning this
 around is going to take more than
 just one player. We've got to play
like a team. But if we trust in
 each other we can come back from
 any deficit, are you ready?

KUZMA / HART / BALL
 Ready!

LeBron's frown turns into a devilish grin.

THE COOL PART OF **BLOCK ROCKIN BEATS** by **CHEMICAL BROTHERS**
 STARTS TO PLAY.

The players take the court in S L O W M O T I O N.

The ref blows his whistle. Game on.

INT. ROLLS ROYCE PHANTOM BACKSEAT - NIGHT

LeBron sits in the backseat with a big fuckin frown on his
 face. He is probably upset because of the basketball game he
 just lost. The car radio is also playing too.

SPORTS RADIO GUY 1
 (o.s.)
 Final score, did you watch this
 game? The final score was Los
 Angeles 48, Charlotte...

SPORTS RADIO GUY 2
 (o.s.)
 Charlotte 188!

SPORTS RADIO GUY 1
 (o.s.)
 188. Can you believe that?
 (MORE)

SPORTS RADIO GUY 1 (CONT'D)
 They could've called this game in
 the first quarter. Even LeBron
 couldn't save his team.

SPORTS RADIO GUY 2
 (o.s.)
 Never seen anything like it. I've
 never seen a basketball game look
 so unlike basketball.

SPORTS RADIO GUY 1
 (o.s.)
 In the fourth quarter the Lakers
 were out-scored **62 to 13**. And those
 13 points? Entirely from LeBron
 James.

LEBRON JAMES
 Can you turn this off please?

DRIVER
 (o.s.)
 No, I'm drunk.

LeBron sighs and reaches into his duffel bag. He withdraws a
 pill bottle and removes **TWO PERC 30s**. He eats the percs to
 get hgh.

EXT. JAMES MANOR - NIGHT

The driver pulls up the driveway and lets Bron out. His house
 is very big but he's LeBron James so this makes sense.

INT. JAMES MANOR - CONTINUOUS

LeBron enters his home. He hangs his hat on the hat rack and
 takes off his badge and gun to set them on the table.

SAVANNAH JAMES
 I was up all night waiting for you
 to get home.

LEBRON JAMES
 Sorry, I was playing basketball for
 Los Angeles.

SAVANNAH JAMES
 I was worried sick.

LEBRON JAMES
 I was on tv.

Savannah (is lebrons wife if you didnt know.) And now she looks LeBron up and down.

SAVANNAH JAMES

Are you eating those percs again?

LEBRON JAMES

(while on percs)

No.

SAVANNAH JAMES

Please LeBron. You can't eat those percs.

LEBRON JAMES

(eating a perc)

I'm not.

SAVANNAH JAMES

You think it's fun? You have fun when you do this?

LEBRON JAMES

Yeah.

SAVANNAH JAMES

I hope you're having fun.

LEBRON JAMES

I gotta go prepare for the my next basketball game. We are goign to play an another one tomorrow.

SAVANNAH JAMES

Just quit James. Please quit. You can't keep doing this to yourself. You can't play basketball forever. You're thirty-four. You've played over a thousand games in the NBA. You're the all time leader in playoff minutes. Your game time is more than thirty eight full days and that's not even touching time spent practicing. The fact that you're still playing is nothing short of inhuman, but **it is not going to last forever**. Your body has been telling you to quit for years and if you don't listen soon, it won't be your choice anymore. These percs are not sustaining you, **they're killing you**. You want to be a legend so bad, well you're going to die one.

LEBRON JAMES

hop.

Savannah starts to cry a bunch. LeBron leaves the room.

INT. BATHROOM - NIGHT

LeBron throws up into the toilet.

LEBRON JAMES

Blaaererghghhh... Pthewww. Sphzz.
Fuck.

He wipes the bile from his lips and struggles to upright his body. As he sways he sees his weak frame in the mirror. A fraction of the gladiator he once was.

LEBRON JAMES (CONT'D)

I am having a hard time. I am addicted to percocets. I am struggling to carry both a losing team and my own legacy. My marriage is failing. My body is dying.

LeBron stares into himself.

LEBRON JAMES (CONT'D)

At least there are no cartoon animals involved in my life. I think that would be too much. My plate is very full right now.

THE CAMERA CRANES UP BEHIND LEBRON'S HEAD LIKE ENTER THE VOID (sick movie). WE TURN ON THE Y-AXIS TO BIRDS' EYE VIEW.

LeBron spits into the toilet.

WE SLOWLY DRIFT ACROSS THE BATHROOM TO THE TOILET.

LeBron flushes the toilet.

WE **LAUNCH** DOWN INTO THE TOILET AND FOLLOW LEBRON'S WASTE THROUGH THE SEWER SYSTEM.

INT. SEWER SYSTEM - CONTINUOUS

FASTER AND FASTER. WATER RUSHING AND MIXING WITH TRASH. THIS PART SHOULD BE **VERY COOL**.

WE REACH AN OPENING AND EMERGE INTO A LARGER SEWER ROOM.

Bugs Buny is in the sewer and he's a cartoon and he say the famous line "whats up doc"

BUGS BUNNY
whats up doc.

TITLES: "Space Jam 2"

INT. SEWER ROOM - NIGHT

Tha cartoons from space jam 1 are down here and they live underground like rats. Bugs Bunny, Daffy Duck, Elmer Fudd, Porky the Pig, Tweety Bird, Sylvester, Yosemite Sam, and Foghorn Leghorn. They all live like dogs in the sewer. Lola Bunny is dead.

BUGS BUNNY
I need more cigarettes.

PORKY THE PIG
I don't smoke.

ELMER FUDD
I used to smoke, but I stopped.

YOSEMITE SAM
I quit too, but I still smoke spliffs.

BUGS BUNNY
Can everyone please shut the fuck up unless you have cigarettes.

DAFFY DUCK
Cigarettes are hard to come by in the sewer. They are a delicacy.

PORKY THE PIG
I never saw the appeal to smoking.

BUGS BUNNY
I want cigarettes.

ELMER FUDD
Addiction is hard to understand.

PORKY THE PIG
I know what it's like to want things.

BUGS BUNNY
Not like this.

PORKY THE PIG

I want to go home.

BUGS BUNNY

I'm going to go eat some cigarette butts.

Bugs leaves.

DAFFY DUCK

Don't push Bugs. We all want to go home. He is dealing with it his way.

PORKY THE PIG

I wish I was fucking dead.

YOSEMITE SAM

You are bumming me out man.

ELMER FUDD

Chill.

PORKY THE PIG

At least prisoners know they are in prison. You live in denial. Death will be our only form of freedom.

DAFFY DUCK

The latest survey mission will be back soon with a new report. We must not lose hope.

YOSEMITE SAM

Marvin has a sick lazer gun.

ELMER FUDD

He does.

FOGHORN LEGHORN

I would do anything to get my dick sucked one time.

Marvin the Martian limps into the room followed by Tweety Bird. Marvin's clothes are tattered. Blood spattered.

MARVIN THE MARTIAN

We are back.

DAFFY DUCK

Where is Sylvester?

MARVIN THE MARTIAN
Sylvester the Cat was killed by
sewer monsters.

FLASHBACK - SEWER PATHS

Sylvester the Cat carefully swat walks around a corner.
Instantly his forearm is grabbed by a sewer monster. The
beast's jaw locks into place and swings Sylvester's body into
the concrete walls.

SYLVESTER THE CAT
AHHGHGHHHASHDFHHHHH!!!

The beast **crushes** Sylvester's forearm, turning it into a skin
sack of broken bones. The beast releases his grip and
disappears quickly into water, leaving Sylvester cradling his
mangled appendage. Sylvester tries to hold his arm but like
jelly it retains no shape or form.

SYLVESTER THE CAT (CONT'D)
My fuckign arm. My arm is ruined.
We have to go back.

MARVIN THE MARTIAN
We continue.

Three sewer beasts surface and latch onto Sylvester's legs.

SYLVESTER THE CAT
AFHHGHHHHHGHhHH!!

Their powerful jaws crush bones and move onto fresh sections
of flesh. Sylvester is pulled under and begins to fight to
keep his head above water.

SYLVESTER THE CAT (CONT'D)
(choking on water)
HELGP ME. I DORNT WAHNTA TEO DEIH!
PLEAGSE.

The beasts leave no piece of Sylvester untouched. The sewer
is filled with clumps of hair and flesh. The brown water is
tinted a deep red. Sylvester is crying.

SYLVESTER THE CAT (CONT'D)
(choking on water)
PLAESE. DONT. PLEAGSE HELGMP ME. I
DOGNT WANNA! I DONT WANNA DIE HERE!

A sewer monster latches onto Sylvester's jaw and **RIPS IT OFF.**

Sylvester's tongue freely dangles out of his new mouth hole.
His eyes stretch in permanent pain.

More beasts descend on his body. They rip his paws off.
Finally one makes it to his neck.

SYLVESTER THE CAT (CONT'D)

Ihl me.

A sewer beasts rips his throat out, turning Sylvester into a
broken pez dispenser.

MARVIN THE MARTIAN

We should go actually.

BACK TO PRESENT

TWEETY BIRD

He died bravely.

ELMER FUDD

Was the expedition successful?

Marvin unfurls a large hand drawn map. The map is overly
annotated with scribbles, question marks, and notes. The
majority of routes are marked with giant red "X"s.

MARVIN THE MARTIAN

We traveled for three days through
the sewers. And we found-

TWEETY BIRD

-We found nothing. Sewer monsters
overpowered us at the Y-Pass. We
made no progress.

ELMER FUDD

God damn it.

DAFFY DUCK

We will persevere. Sylvester will
not die in vain.

PORKY THE PIG

Tomorrow I am going to kill myself.

INT. LAKERS TEAM JET - DAY

Everyone is wearing Beats by Dre headphones around their
necks. Some people are wearing a pair on their ears as well.
All the headphones are playing different songs incredibly
loudly. It's impossible to hear anything.

LONZO BALL

We almost had them in the 4th
quarter, but they slipped away.

JOSH HART

They just slipped away. We almost had them.

KYLE KUZMA

It's just one game. We'll win the next one. They slipped away. We have LeBron James.

LONZO BALL

That is right. We do have LeBron James.

JOSH HART

LeBron James is on our team.

LUKE WALTON

I have lost this team. We're going to miss the playoffs and Magic Johnson will never give me the antidote.

LeBron James turns the volume up on his Beats.

LUKE WALTON (CONT'D)

(aside)

LeBron. I need your help. I know the team is terrible, but I need you to pull through and win some games for me. For us.

LeBron stares ahead.

LUKE WALTON (CONT'D)

He gave it to me LeBron. He gives it to anyone who fails him. This is my last chance.

LeBron points to a bag under his seat.

LUKE WALTON (CONT'D)

So soon? But. Yes, of course.

Luke turns and stealthily motions to a trainer on the plane.

LUKE WALTON (CONT'D)

Just the eight seed is all I'm asking for.

LeBron ignores him.

LUKE WALTON (CONT'D)

Ok.

Luke signals to the trainer again and leaves. The trainer trails Luke by a few steps. As he passes LeBron he drops a pill container into his bag.

LeBron retrieves the pill bottle and examines the percocet. He's gonna do them.

JOSH HART

I think I left my wallet in the locker room.

LONZO BALL

I jacked off in a toilet and forgot to flush.

KYLE KUZMA

stroke.

LeBron does percocet.

INT. SEWER SYSTEM - NIGHT

ELMER FUDD

What are you doing Porky.

PORKY THE PIG

I'm tying a noose so I can kill myself. I do not like being alive anymore.

ELMER FUDD

Oh.

DAFFY DUCK

Don't kill yourself, Porky. Our situation is critical, but we must not falter now. We need the strength of everyone if we are to survive.

PORKY THE PIG

I do not believe we will ever leave this sewer so I will leave my body. The sewer monsters have taken everything from us, but they will not take me.

DAFFY DUCK

I do not know what to say to inspire hope when I have so little myself. We have been trapped here in the sewer for 23 years.

(MORE)

DAFFY DUCK (CONT'D)

I know suicide will not help our cause, but if you truly believe it is the only option I will not stop you.

PORKY THE PIG

See ya.

Porky the Pig kills himself.

MARVIN THE MARTIAN

What's going on.

YOSEMITE SAM

Porky the Pig is killing himself.

MARVIN THE MARTIAN

He was weak. He was not built for war.

TWEETY BIRD

He did not sign up for war.

MARVIN THE MARTIAN

Nevertheless.

BUGS BUNNY

I need cigarettes.

MARVIN THE MARTIAN

We must focus.

Marvin pulls out the sewer system map.

MARVIN THE MARTIAN

At the cost of Sylvester's life I believe we have plotted a crude outline of the sewer monsters feeding routines. If these routines hold, we should be able to plan a new expedition within the week.

PORKY THE PIG

Euhkh h hhh h.

Porky dies.

BUGS BUNNY

I'll be back later.

Bugs leaves.

FOGHORN LEGHORN

That didn't look that bad. I might
kill myself too.

INT. STAPLES CENTER - NIGHT

Guess WHat The Lakers are losing again. Getting stomped by
the Suns or another bad team it's not really important. It's
like 162 to 51 or something. Very bad score for the Lakers.

JOSH HART

These guys are too good.

LONZO BALL

They're too good at basketball is
what the problem is.

KYLE KUZMA

Maybe if they were worse we would
have a chance. But as it stands now
they're too good at basketball.
Their skills exceed our own. Maybe
we should have practiced more. It
seems like the other team practices
a bunch. That could be the secret
to their success. All their
shoelaces are tied pretty tight
too. My shoes get untied three or
six times a game. I skipped
breakfast too and my dick hurts.

LEBRON JAMES

I miss Kyrie.

Luke Walton has totally sweat through his shirt. He's nervous
because he's the coach and it's his job to win games. He's
grabbing his collar and stretching it crazy far out lol.

INT. OWNER'S BOX - CONTINUOUS

Magic Johnson watches the game unfold behind the tinted glass
of the owner's box. He stands with his arms raised and feet
shoulder width apart like the Vitruvian Man...

...completely naked.

He is getting **sucked stupid**. One girl is sucking his dick.
Another sucking his balls. A third sucks his ass.

Five girls on each side are sucking individual fingers. Two
girls on the ground are sucking on each foot.

Another girl is tonguing his belly button. Two more on each nipple. All in all there are 18 girls sucking him. His face is stone.

The sound of this alone is terrible. Complete silence except for the sound of saliva. This goes on for two whole minutes. No cuts. This is the only scene I will not remove from the script. I will not bend on this.

INT. STAPLES CENTER - CONTINUOUS

Devin Booker steals the ball from Lonzo. Lonzo grabs for the ball, but crashes and eats hardwood.

LONZO BALL

No.

Booker moves to seal the game with a fast-break lay up.

LeBron trails him. He **rises** for a signature chase down block...

...but LeBron has lost a step. He has been outclassed by the younger generation. Booker checks behind him and finishes effortlessly.

LeBron immediately hunches over, out of breath.

ERRRRRRRR The buzzer sounds. 176-54.

LeBron looks at his teammates. None of them made it past half court. Kuzma is looking at the wrong basket. Bron sighs.

INT. OWNER'S BOX - CONTINUOUS

MAGIC JOHNSON

STOP!

The 18 girls from before stop sucking him.

He snaps his finger. A girl places a lit cigarette in his mouth. Magic slowly turns and leaves the box.

INT. LEBRONS BATHROOM - CONTINUOUS

LeBron slumps on the floor next to the tub. A cigarette is hanging out of mouth. He's nodding hard.

A knock at the door.

SAVANNAH JAMES

(o.s.)

Bron! Bron, come out!

LEBRON JAMES

Heuuuuuuuhhhhhhhhhhhhh. Ghz.

The door handle starts to jiggle. It's locked.

SAVANNAH JAMES

(o.s.)

I know you're off those percs in there!

LEBRON JAMES

Shkkkuuuurp. bop.

The weight of LeBron's head comes crashing down into the toilet. He spits the cigarette into the bowl.

LeBron grabs the lever for balance and flushes the toilet as he rises. He goes to the door and unlocks it.

LEBRON JAMES (CONT'D)

I was not. on percs.

SAVANNAH JAMES

Don't lie to me James. You're my husband. Don't say these lies to me.

LEBRON JAMES

Listen. do you have any percs.

SAVANNAH JAMES

Why are you trying your hardest to hurt me.

LeBron pushes his way past her into the bedroom. She follows.

INT. BEDROOM - CONTINUOUS

LEBRON JAMES

I was in Trainwreck.

SAVANNAH JAMES

I can't look at you anymore.

LeBron wipes all the drool off his face.

LEBRON JAMES

That's fine. The cameras will look at me.

SAVANNAH JAMES

You are sick.

LeBron sits down at his computer desk and boots up Dolphin. He starts to emulate Paper Mario: The Thousand Year Door.

LEBRON JAMES

I have to play basketball tomorrow. Please let me relax. I am mostly not happy and I would just like to relax for a bit.

LeBron misses action commands. He fucks up the multi-bounce.

SAVANNAH JAMES

There's a bunch of cigarettes in the tub.

LEBRON JAMES

Yeah. I will clean those up later.

SAVANNAH JAMES

You will, huh.

LeBron misses dodge commands.

LEBRON JAMES

Yeah.

SAVANNAH JAMES

Ok.

Savannah goes to the bathroom.

INT. LBERON'S BATHROOM - CONTINUOUS

Savannah opens up the medicine cabinet and grabs the perc bottle. She opens it and pours the pills into the toilet.

FLUSH

INT. BEDROOM - CONTINUOUS

LEBRON JAMES

Did you flush my percs?

SAVANAH JAMES

(o.s.)

Yeah.

LEBRON JAMES

I wish you had not done that. I was planning on eating them to get high. I can get more though, it's easy for me to get drugs because I'm LeBron James.

Savanah enters the room.

SAVANAH JAMES

You're LeBitch James.

LeBron throws his PS4 controller through the window. Glass explodes everywhere and a car alarm starts going off.

LEBRON JAMES

I could kill you with one fuckin punch.

INT. SPACE VEGAS OFFICE - DAY

Swackhammer is chillin in his office. If you don't remember swackhammer he's the alien danny devito from the first movie.

His secretary walks in.

SECRETARY

Hello Swackhammer.

SWACKHAMMER

Hello Secretary.

SECRETARY

I have the business news for today.

SWACKHAMMER

Let's hear it.

SECRETARY

We are doing business today here at Space Vegas.

SWACKHAMMER

This is great news thank you for telling me.

SECRETARY

Joe is on line one.

SWACKHAMMER

Thank you.

The Secretary leaves. Swackhammer picks up the phone.

SWACKHAMMER (CONT'D)
Joe, how are you.

JOE ROGAN
(o.s.)
I'm ok.

SWACKHAMMER
Where are we on booking UFC 250 at
Space Vegas?

JOE ROGAN
(o.s.)
I gotta go.

CLICK The Secretary comes back in the office.

SECRETARY
How did your call go.

SWACKHAMMER
It did not go well. Joe Rogan is a
big tool.
(beat)
Can you jack me off for a little
bit?

SECRETARY
Yes sir.

The Secretary starts to jack Swackhammer off.

SWACKHAMMER
Very good.

The phone rings and flashes red.

SWACKHAMMER (CONT'D)
Aw fuck.
(he picks up the phone)
Yes, sir. No-no he didn't. I'll get
right on it. I'll handle it.

SECRETARY
Is everything ok sir?

SWACKHAMMER
No. If we don't book a big sporting
event soon I'll be killed. He needs
the new Space Arena to get filled
stat. We're hemorrhaging money.

SECRETARY
He wasn't happy?

SWACKHAMMER

No he said he would kill me. We need a big fight or a football game or a-

SECRETARY

Basketball game?

SWACKHAMMER

Yeah, yeah. A basketball game might be perfect. We need some more of those weird little alien guys to supercharge with stolen athletic talent. And then we'll make them play or something. It should work probably. Go get some of those alien guys.

SECRETARY

Should I stop jacking you off?

SWACKHAMMER

Yeah, probably. I don't think I was going to cum anyway.

SECRETARY

Right away sir.

The secretary stops jacking him off and leaves.

The secretary was also a guy too.

INT. SEWER PATHS - NIGHT

Bugs Bunny is dry hitting a cigarette butt.

BUGS BUNNY

This sucks.

He throws the butt into the air and catches it in his mouth. He sucks on it like a piece of candy.

BUGS BUNNY (CONT'D)

I do not like the sewer.

Bugs walks aimlessly through the sewer, occasionally tilting his head back to spit the cigarette butt straight up before catching it in his mouth again.

After a few tosses he swishes it back and forth and finally spits it out. He keeps walking.

BUGS BUNNY (CONT'D)
Actually, I would like to keep
sucking on that piece of garbage.

He backtracks to the cigarette butt and grabs it, but his
stare lingers for a moment. Right next to it is a **small pill**.

BUGS BUNNY (CONT'D)
Whoa.

Bugs picks up the pill and inspects it.

BUGS BUNNY (CONT'D)
Oxycodone Hydrochloride. 30 mg.

He brings it closer to his eye.

BUGS BUNNY (CONT'D)
Imprint A215.

He slides the pill out of his vision and looks ahead...

...and sees another blue pill a few feet away.

Bugs pockets both pills. He searches the area and finds **even more**. Bugs follows the pill trail into the darkness.

INT. LEBRON'S BATHROOM - CONTINUOUS

Bugs bunny come out the toilet.

BUGS BUNNY
Oh shit.

Bugs starts walking around the house.

INT. LEBRON'S LIVING ROOM - CONTINUOUS

BUGS BUNNY
Yo.

R.L. STINE
Yo, what's good.

Bugs daps up R.L. and sits on the couch.

BUGS BUNNY
I just came out of the sewer. Me
and my friends were trapped there
for 23 years. Some of them are
dead.

R.L. STINE

Word.

BUGS BUNNY

Where am I.

R.L. STINE

LeBron's house. He should be back later. He's playing basketball right now.

BUGS BUNNY

Bet. Cool if I chill?

R.L. STINE

Yeah, post up. Mav is coming through with weed soon.

BUGS BUNNY

I don't smoke, but I'm down to chill. You got cigs on you?

R.L. STINE

Yeah, you can bum out the pack. We smoke inside too.

Bugs grabs a cig and lights it.

BUGS BUNNY

Sick.

R.L. STINE

How did you get trapped in the sewer?

BUGS BUNNY

It was by accident.

R.L. STINE

Oh.

Maverick Carter comes in.

MAVERICK CARTER

I got the weed.

R.L. STINE

What is it?

MAVERICK CARTER

Gas.

BUGS BUNNY

Actually I will smoke.

MAVERICK CARTER
Let's get it.

R.L. STINE
I will roll.

BUGS BUNNY
We didn't have weed in the sewer. I
mostly chewed cigarette butts.

MAVERICK CARTER
Foul.

BUGS BUNNY
Yeah. I found a bunch of Oxycodone
in the sewer though. I followed a
trail of them to get here.

MAVERICK CARTER
Those are probably LeBron's
Oxycodone. He's addicted to them.

R.L. STINE
Do you guys want to watch
something.

MAVERICK CARTER
Yeah I could watch something.

BUGS BUNNY
I should probably try to help my
friends. They are dying slowly in
the sewers.

R.L. STINE
Wolf of Wall Street?

MAVERICK CARTER
Yeah, that movie rules.

BUGS BUNNY
It is sick.

R.L. Stine puts the The Wolf of Wall Street Blu-Ray into the
Blu-Ray player and then he hits play.

BUGS BUNNY (CONT'D)
Sick.

MAVERICK CARTER
Subtitles on?

R.L. STINE
What?

BUGS BUNNY

You watch movies with subs on?

MAVERICK CARTER

Sorry, I'm tripping. Sometimes it's hard to hear though.

INT. SPACE VEGAS CASINO - DAY

The nerdlucks sit in front of slot machines, brain dead. Empty glasses litter the area. They're all smoking.

SECRETARY

How's it going fellas?

Their eyes do not drift from the displays.

ORANGE NERDLUCK

It is.

SECRETARY

Yeah, I can see.

(beat)

Swackhammer has a proposition for you.

ORANGE NERDLUCK

Swackhammer enslaved us.

SECRETARY

And yet you are patrons of his casino.

ORANGE NERDLUCK

We made a choice to be slaves to the slots. Blue nerdluck is up two hundred.

BLUE NERDLUCK

I'm up two hundred.

SECRETARY

It wouldn't be anything you haven't done before. We need you to steal powers and put on the greatest space sporting event ever. But this time...you'll win.

BLUE NERDLUCK

The trick is to play all five lines.

ORANGE NERDLUCK
There are no tricks in slots.

PURPLE NERDLUCK
I play three lines.

BLUE NERDLUCK
That's retarded.

PURPLE NERDLUCK
It's a value play.

BLUE NERDLUCK
Lol.

SECRETARY
Swackhammer wants to wipe the slate clean. He would compensate you, you all, more than fairly.

ORANGE NERDLUCK
Blue nerdluck is up two hundred.

SECRETARY
The rest of you have outstanding debts to the casino. This would clear your markers.

ORANGE NERDLUCK
We do.

BLUE NERDLUCK
I owe large sums to prostitutes.

SECRETARY
We could settle those debts too.

GREEN NERDLUCK
He's addicted to paying for sex.

BLUE NERDLUCK
I am.

PURPLE NERDLUCK
He's the rain man of solicitation.

RED NERDLUCK
He is.

SECRETARY
That's fine. As long as you can play basketball.

BLUE NERDLUCK

I do not care for basketball, I am mostly interested in one-dimensional, zero-sum sex.

SECRETARY

Great. So you guys are in?

ORANGE NERDLUCK

Yes.

RED NERDLUCK

I actually enjoy playing basketball, I'm looking forward to this. This will be a nice change of pace for me.

BLUE NERDLUCK

(rubbing his dick n balls)
I need to fuck.

INT. LEBRON'S LIVING ROOM - DAY

BUGS BUNNY

This movie is great.

MAVERICK CARTER

Yeah.

R.L. STINE

Yeah.

Bugs smokes a cigarette.

MAVERICK CARTER

The girl is so hot in this.

R.L. STINE

Yeah.

BUGS BUNNY

Yeah.

Bugs continues smoking the cigarette.

MAVERICK CARTER

I don't have any on me, but I would do coke right now.

R.L. STINE

I would too.

BUGS BUNNY
Should we get some?

R.L. STINE
I'm not plugged like that.

MAVERICK CARTER
It would be a reach for me. Maybe
when Bron comes back we could ask
him.

BUGS BUNNY
He could get some?

MAVERICK CARTER
Maybe he could get some.

BUGS BUNNY
Word.

R.L. STINE
That would be tight if LeBron could
get us some coke.

MAVERICK CARTER
Yeah.

BUGS BUNNY
How much?

R.L. STINE
I don't do coke a lot, but I would
do some.

MAVERICK CARTER
Eight ball should be good.

BUGS BUNNY
Let's get an eight ball.

MAVERICK CARTER
When LeBron gets home we'll ask
him.

They watch three and a half episodes of Family Guy. One of
them is one of those episodes where they sing songs.

LeBron comes home.

LEBRON JAMES
Yo.

MAVERICK CARTER
What's up.

R.L. STINE

Yo.

BUGS BUNNY

Hey, I'm Bugs Bunny.

LEBRON JAMES

What's good.

LeBron daps up Bugs.

MAVERICK CARTER

We're chillin.

R.L. STINE

Do you want to hit this?

LEBRON JAMES

I'm ok. Kinda beat right now. We lost again. Think I might just go chill in the bathroom.

MAVERICK CARTER

Word.

LeBron leaves.

BUGS BUNNY

You didn't ask him about the coke.

MAVERICK CARTER

I was going to but it didn't feel right.

BUGS BUNNY

What?

R.L. STINE

Mood was off.

MAVERICK CARTER

He just got home.

BUGS BUNNY

I'll ask him if you don't want to.

MAVERICK CARTER

Chill, I'll ask him. I said I would ask him.

R.L. STINE

Play another ep of Family Guy.

BUGS BUNNY
My bad, I had it paused.

They watch three minutes of Family Guy.

R.L. STINE
This shit is so funny.

They watch five minutes of Family Guy.

LEBRON JAMES
Yo, I'm back. Have you guys seen my
percs?

MAVERICK CARTER
Nah, I don't think so.

R.L. STINE
Yeah, nah. I've been here the whole
time.

LEBRON JAMES
I think Savannah threw them all
out.

MAVERICK CARTER
Sucks.

BUGS BUNNY
Wait.

Bugs takes out some of the sewer pills.

LEBRON JAMES
Yoooo. Where'd you find those?

BUGS BUNNY
I got here through your toilet.
They were in the sewer.

LEBRON JAMES
You really saved me. I'm both
physically and mentally addicted to
pain killers. Anything you need
from me, I got you.

BUGS BUNNY
Actually, my friends are still
trapped in the sewer. I could use
some help rescuing them. They're
dying.

LEBRON JAMES

Consider it done. I promise I'll help you out with that. I've just gotta do something real quick.

LeBron takes some of the pills and leaves.

R.L. STINE

Are you going to ask him or what.

MAVERICK CARTER

Listen. I am going to ask him.

INT. SPACE VEGAS HALLWAY - DAY

SWACKHAMMER

They're in?

SECRETARY

It took some convincing, but I convinced them.

SWACKHAMMER

Excellent. Great work.

SECRETARY

Should I jack you off?

SWACKHAMMER

No. Not right now.

SECRETARY

Ok.

SWACKHAMMER

Now that we have the players, we need their talent.

SECRETARY

I've set up a meeting with our research team to deal with just that.

SWACKHAMMER

Perfect. When is that meeting?

SECRETARY

Later.

SWACKHAMMER

Great.

INT. SPACE VEGAS SCIENCE LAB - CONTINUOUS

RESEARCHER 1

Thank you for coming to this meeting.

SWACKHAMMER

No problem.

SECRETARY

No problem.

Researcher 2 pulls up graphs and Microsoft excel spreadsheets and also more graphs.

RESEARCHER 1

When we previously ran this experiment twenty-three years ago, we stole skills from Charles Barkley, Shawn Bradley, Patrick Ewing, Larry Johnson, and Muggsy Bogues. Even with this selection of top tier talent, the Monstars lost. But, did we really take from the b-

SWACKHAMMER

Who is Larry Johnson.

RESEARCHER 2

He was a power forward for the Hornets and Knicks.

SWACKHAMMER

Who is Shawn Bradley.

RESEARCHER 1

Center for the Sixers, Nets, and Mavs.

SWACKHAMMER

They were good?

RESEARCHER 2

Yes.

SWACKHAMMER

I've never heard of them.

SECRETARY

Wasn't Muggsy like a midget.

RESEARCHER 2

He was small yes.

RESEARCHER 1

That's my point exactly. Did we really take from the best talent available? Between those five players, do you know how many rings they have?

SWACKHAMMER

I love Chuck though. He's good on TNT.

SECRETARY

He is.

RESEARCHER 2

He's ok.

RESEARCHER 1

Zero rings. Bradley, Ewing, Johnson, Bogue, and Barkley. None of them ever won a championship.

SWACKHAMMER

We should have gotten better players.

SECRETARY

Who is Bradley.

RESEARCHER 1

He was a center-

RESEARCHER 2

We fucked up last time.

RESEARCHER 1

LISTEN. We did fuck up, but this time, we are not going to fuck up. The computer did all the work for us.

SECRETARY

The computer?

RESEARCHER 2

Based on these simulations, our algorithm has determined the five best players to steal power from.

RESEARCHER 1

We fed the computer not only extensive game data, but huge swaths of sports news, social media posts, and expert analysis.

RESEARCHER 2

The computer has assessed every possible nook and cranny of the sports world and delivered us the perfect candidates.

RESEARCHER 1

And what's so interesting about these candidates... They're not even basketball players.

SWACKHAMMER

What.

RESEARCHER 2

You don't need to win games, right? You just want to fill seats.

SWACKHAMMER

(aside)

I am gonna need you to jack me off later.

The Secretary nods.

RESEARCHER 1

The computer scrubbed every major sports league for the perfect combination of talent, showmanship, and personality.

RESEARCHER 2

They're actually mostly football players. They're not the best basketball players...

RESEARCHER 1

...But they're the best players to get you to watch basketball.

SWACKHAMMER

The computer did this?

RESEARCHER 2

Computers are amazing.

SECRETARY

I've got a computer at home.

RESEARCHER 1

The search results for these players were through the roof.

(MORE)

RESEARCHER 1 (CONT'D)

During their respective careers fans could **not stop** talking about these guys.

RESEARCH 2

Some of them were so good, the league actually had to stop them from playing.

SWACKHAMMER

Really? They were so good, the league stopped them from playing?

RESEARCHER 1

Exactly.

SECRETARY

That doesn't seem right.

RESEARCHER 2

It's right. They were too good so the league stopped them from playing.

SWACKHAMMER

You're positive there was no other reason the league would get involved? It was because they were too good? They were suspended from playing because they were too good? No other reason? The reason was they were too good? And you're sure about that?

RESEARCHER 1

Yes.

INT. LAS VEGAS BAR - DAY

An old man drinks and watches an NFL game. Despite his age (70s) he still has an athlete's body. A few seats down two younger guys whisper and steal glances at him.

FAN

Hey. Can I ask you a question?

The old man drinks.

FAN (CONT'D)

You did it right?

The old man scoffs and turns away. He finishes his drink and gets up.

As he leaves another patron stops him. This guy is wearing a trench coat and hat and he's the Nerdlucks in disguise.

OLD MAN

I'm not giving any autographs.

ORANGE NERDLUCK

I don't want one, Juice.

The orange Nerdluck slips into ooze mode and slides out of the trench coat. He slithers up the man's body and then **up the old man's nose**. The old guy starts tweaking, his eyes roll back in his head.

As the Nerdluck slides out, the old man loses motor control and falls into a bar stool.

FAN

Yooooooooo.

The orange nerdluck slithers back into the trench coat body.

INT. TRENCH COAT BODY - CONTINUOUS

Orange nerdluck slides into a glowing basketball in the stomach of the trench coat. All the Nerdlucks are laughing a bunch. Orange Nerdluck slides out of the ball.

ORANGE NERDLUCK

Got him.

Blue Nerdluck takes out a gun.

INT. LAS VEGAS BAR - CONTINUOUS

A gun barrel emerges from the trench coat. Blue Nerdluck shoots the fan in the chest.

INT. APARTMENT BUILDING - DAY

The Nerdlucks in their trench coat wait in the lobby.

A stocky black man approaches and calls the elevator. He gets in the elevator. Just before the doors close the Purple Nerdluck slips out of the coat and into the elevator.

EXT. CEMETARY - NIGHT

The Nerdlucks all work hard to dig up a grave. They dig and dig throwing dirt all over the place.

Red Nerdluck plunges his shovel into the dirt and we hear the **CLANK** of shovel hitting coffin.

The Nerdlucks clear the dirt to reveal a coffin. Green Nerdluck pries it partly open with a crowbar and Red Nerdluck slips into the coffin.

In a flash of thunder we see the grave illuminated.

CLOSE ON HEADSTONE: It reads "**A. Hernandez**".

INT. SEWER SYSTEM - NIGHT

LeBron James, Bugs Bunny, and three Mossad super soldiers patrol the sewers. They are strapped up. LeBron has the Kel-Tec SUB2000. Bugs and two Mossad soldiers use IWI Tavor X95s.

The lead Mossad soldier (Mossad Steve) is wielding three deagles Santoryu style like Roronoa Zoro from One Piece.

BUGS BUNNY

Thank you for helping me rescue my friends LeBron James.

LEBRON JAMES

No problem Bugs. Thank you for getting me my percocets back. I needed them.

BUGS BUNNY

Yeah.

MOSSAD JOSHUA

Hold.

Mossad Joshua and Mossad Eli clear the corner angle.

MOSSAD ELI

How much further?

BUGS BUNNY

It's hard to tell. Marvin the Martian was much better at the cartography of the sewers. I mostly ate cigarettes down here.

MOSSAD STEVE

Proceed with caution. I don't want any mistakes.

BUGS BUNNY

Are you going to make the playoffs this year LeBron?

LEBRON JAMES
We'll be the eight seed.

MOSSAD ELI
They're not making the playoffs.

MOSSAD STEVE
West is too tough.

MOSSAD JOSHUA
West is always tough.

MOSSAD ELI
They're also ass.

LEBRON JAMES
My teammates suck and I'm on
percocet a lot of the time.

MOSSAD JOSHUA
Clips will get a bring a ring to LA
before he does.

MOSSAD ELI
Clips are not bad.

MOSSAD STEVE
Do not sleep on the Clips.

LEBRON JAMES
Please focus on the mission I do
not enjoy talking about basketball
that much anymore.

BUGS BUNNY
Also watch out for s-

A splash erupts in the sewer water.

The Mossad agents spring into action and expertly plug the
water activity with bullets.

SEWER MONSTER
AGHGHDGHS DHGHHHHHHHHHHHHH!!

Blood rises to the surface.

MOSSAD ELI
Watch out for what?

Joshua blows the steam from his X95.

MOSSAD JOSHUA

We've fought in the Gaza Strip.
This is nothing.

BUGS BUNNY

Nobody was shooting back at Gaza.

MOSSAD STEVE

Stay frosty boys. We're not through
this yet.

MOSSAD ELI

LeBron you need to get back with
Kyrie or something. I can't believe
you let him get away. That was your
boy. If he doesn't hit that three
in game seven... You gotta do
something man. You bout to wash out
for real.

MOSSAD STEVE

Wait.

Steve puts his ear to the water and listens.

MOSSAD STEVE (CONT'D)

Check the blood. There's not enough
of it.

MOSSAD JOSHUA

That was a kill boss.

MOSSAD STEVE

CHECK THE BLOOD.

Joshua lets his gun hang and combs through the mix of
coagulated blood and trash for the body. He puts his hand in
and fishes around.

MOSSAD JOSHUA

See, I told you we got him.

Joshua pulls the body out of the water.

It's **SYLVESTER THE CAT**.

MOSSAD STEVE

IT'S A FUCKING TRAP.

Two sewer monsters surface and latch onto Eli.

MOSSAD ELI

FUCK!

Steve does a shinobi wall run and blasts one of the sewer monsters in the skull. LeBron bump fires the kel-tec and overkills the dead sewer monster with thirty two shots.

MOSSAD ELI (CONT'D)
Get it offa me!!!

The second sewer monster is lock jawed onto Eli's dominant arm. Eli is flailing so much the sewer monster is moving with his momentum to spin him like a top.

MOSSAD JOSHUA
I can't get a shot off! Stop moving!

MOSSAD ELI
AGHGHHHHH!

While spinning Eli drops his gun and pulls a knife from his belt. He raises his hand to stab the monster but just as he brings the knife down the sewer monster releases his grip.

The momentum from Eli's swing is too much and he **stabs himself in the arm.**

MOSSAD ELI (CONT'D)
FUUCUUUCCKK!!!

The sewer monster disappears into the water. It swims away but the current is huge and reveals its position.

Steve flips off the wall and pushes his eyepatch up, revealing his sharingan eye.

Steve plunges into the water and instantly copies the sewer monsters swimming ability. He catches up to the monster effortlessly and pulls it out of the water.

With an axe kick he pins the monster to the wall by his neck.

MOSSAD STEVE
למות!

Steve unloads his three deagles into the monsters throat.

The sewer monster's body detaches from the neck and slides into the sewer. All of the guts and juices fall out of its open neck. Steve releases his foot and the head follows.

BUGS BUNNY
That was fucking crazy dude. You're insane.

LEBRON JAMES

I think I got one.

MOSSAD ELI

We have to go back.

MOSSAD JOSHUA

We did not prepare for this.

MOSSAD STEVE

The sewer monsters communicate across bodies of water through low frequencies like whales. They all know we're here now. Turning back would be suicide.

MOSSAD ELI

My right arm is fucked. I can't shoot. I'll die down here.

MOSSAD STEVE

Use your left arm.

MOSSAD ELI

I can't fucking shoot a rifle with my left arm.

BUGS BUNNY

Did you guys see him stab himself.

LEBRON JAMES

I think i dropped my percs.

INT. SPACE VEGAS SCIENCE LAB - DAY

The talent basketball pulses and glows in a cool way.

SWACKHAMMER

We did it. With this talent on our side we'll be able to book the biggest event in space vegas.

SECRETARY

Yes, that's right sir. That is what we are doing.

RESEARCHER 1

In this basketball we have contained the powers of O.J. Simpson, Ray Rice, Aaron Hernandez, Rae Carruth, and Robert Rozier.

SWACKHAMMER

Who is Rae Carruth.

RESEARCHER 2

He was a wide receiver for the Panthers. His girlfriend didn't want to get an abortion so he put a hit out on her. Carruth paid his friend to shoot her a bunch when she was eight months pregnant. She died in a coma, but doctors saved the baby. The baby had brain damage though. Then Carruth went on the run.

RESEARCHER 1

Police found him hiding in the trunk of a car with \$3,900 in cash, candy bars, and a bunch of bottles that he had been peeing in.

SWACKHAMMER

Who is Robert Rozier.

RESEARCHER 2

He played defensive end for the Cardinals. He murdered seven white people and their saved body parts in order to join a secret sect of a cult called Temple of Love.

SWACKHAMMER

Who is Ray Rice.

RESEARCHER 1

He was a running back-

SWACKHAMMER

I'm kidding I've seen the video.

INT. SPACE ARENA BASKETBALL COURT - DAY

SECRETARY

Great work getting this talent. Now it's time to ingest it into your bodies.

GREEN NERDLUCK

Blue Nerdluck has a gun and he killed someone.

SECRETARY

Cool. Please touch the basketball.

The Nerdlucks gather around the glowing ball and touch it.

Their bodies begin to spasm and light shoots from the ball through their bodies. Their skin pulses like boiling water. They groan as their bodies change.

The Nerdlucks transform and become slightly larger. Like four inches taller and that's it.

SECRETARY (CONT'D)

How do you feel?

ORANGE NERDLUCK

I feel. Like. The same.

RED NERDLUCK

Me too.

SECRETARY

Do you feel like you're better at basketball?

The Secretary passes Green Nerdluck the ball.

Green Nerdluck dribbles it pretty well, nothing crazy, then shoots and hits from three.

GREEN NERDLUCK

Yeah, pretty good I guess. I'm kind of angrier too.

ORANGE NERDLUCK

Yeah I mostly feel angrier.

PURPLE NERDLUCK

I think I would do domestic violence now.

SECRETARY

You're ready to play basketball though?

RED NERDLUCK

If I had a wife I think I would kill her.

SECRETARY

Hmmmmmmmmmmmm.

INT. SPACE VEGAS SCIENCE LAB - DAY

SECRETARY

Things are not great.

RESEARCHER 1
What's wrong.

RESEARCHER 2
They're not better at basketball?

SECRETARY
They are. They're mostly more violent though. They don't seem motivated to play.

RESEARCHER 1
Well, most athletes aren't.

RESEARCHER 2
You know what they need? A coach.

RESEARCHER 1
Exactly. They have the talent, now they just need someone to direct it.

SECRETARY
You think that would work?

RESEARCHER 2
Sure, probably. I don't care really.

RESEARCHER 1
Go here.

Researcher 1 hands the Secretary a piece of paper.

RESEARCHER 1 (CONT'D)
This is where you'll find the best coach possible.

SECRETARY
The computer told you this was the best coach?

RESEARCHER 1
Yes.

SECRETARY
It seems like the computer wasn't really 100 percent before so you can see why I'm hesitant. This is the best coach?

RESEARCHER 2
Sure. Probably. Listen, the computer is never wrong.

(MORE)

RESEARCHER 2 (CONT'D)

If he's the guy the algorithm spit out, he's the coach for the job.

RESEARCHER 1

When you see him just have him touch this basketball and his talent or powers will be stolen or yeah, that should work.

SECRETARY

Ok. I'll trust you. I'll find this coach and take his powers for my own. You are right. The computer can't be wrong.

INT. LAUREL HIGHLANDS STATE CORRECTIONAL INSTITUTION - DAY

SECRETARY

Hello, I'm looking for Jerry Sandusky I need him to touch this basketball.

INT. SEWER SYTEM - NIGHT

BUGS BUNNY

I'm sorry I brought you into this.

MOSSAD STEVE

We knew what we were getting into.

MOSSAD JOSHUA

I did not know what we were getting into.

MOSSAD ELI

My fuckin arm man.

LEBRON JAMES

We are family. We support each other. If you fall, stay down. Another brother will pick you back up.

MOSSAD ELI

Shut the fuck up LeBron.

BUGS BUNNY

I think we're getting close.

Steve puts his fist up the way army guys signal "stop".

MOSSAD STEVE

This is it.

MOSSAD JOSHUA

How can you tell?

MOSSAD STEVE

The sewer monsters talk through clicks and whistles, but they signal warnings with low frequency pulses. For the past two hours I've been detecting regular pulses... until now. They've gone radio silent which means they have nothing left to discuss. Around this corner is their ambush.

LEBRON JAMES

You're so smart Mossad Steve. Did you learn this when you were in the Mossad.

MOSSAD STEVE

Yes.

BUGS BUNNY

What's the plan?

MOSSAD ELI

I can't fight. My arm is done.

MOSSAD STEVE

You might not be able to fight, but you're the most critical member of our offense.

MOSSAD ELI

How?

MOSSAD STEVE

Like this.

Mossad Steve pulls the pins on four of the grenades on Eli's belt.

MOSSAD ELI

No-

MOSSAD STEVE

Thank you, soldier.

Steve spinning hook kicks Eli with such force that he flies around the corner. He lands with a huge splash in the water.

MOSSAD ELI

(o.s.)

NOO!!!

The sounds of sewer monsters echo through the walls.

MOSSAD ELI (CONT'D)

(o.s.)

NOOOO!!!!!!!

A massive explosion erupts around the corner followed by the monster's screams.

MOSSAD STEVE

That was just the first wave. We'll need to beat back the rest of their offensive and then kill their leader, the sewer king.

BUGS BUNNY

I'm ready to kill the sewer king and avenge my friends MOssad Steve.

MOSSAD JOSHUA

Where did Eli go.

LEBRON JAMES

I'm fucking scared.

MOSSAD STEVE

This will be our greatest battle yet.

Steve removes an M48 stun grenade and throws it around the corner. He assumes his deagle santoryu stance.

MOSSAD STEVE (CONT'D)

שלוש, שתיים, אחת. עכשיו!

Mossad Steve and the other guys beat the sewer king.

MOSSAD STEVE (CONT'D)

We did it. We beat them.

BUGS BUNNY

Joshua did not make it.

Joshua's torso writhes in the water and coughs up blood. His legs are gone.

LEBRON JAMES

But at what cost.

BUGS BUNNY

I don't think anyone wanted to sacrifice Eli. I think all of us believe that sacrificing someone is wrong.

MOSSAD STEVE

Yes.

LEBRON JAMES

Of course.

BUGS BUNNY

But if someone has to be sacrificed then I suppose it is fine to sacrifice someone.

LEBRON JAMES

Yes.

MOSSAD STEVE

Of course.

BUGS BUNNY

And in that case as long as the person we are sacrificing is not me, I am fine with it.

LEBRON JAMES

Agreed.

MOSSAD STEVE

Did you see when I shot the sewer king in the head. That was sick.

BUGS BUNNY

It was sick.

LEBRON JAMES

I can't remember why we came down here.

BUGS BUNNY

My cartoon friends. They were trapped down here. Prisoners of the sewer king.

LEBRON JAMES

So where are they?

MOSSAD STEVE

Oh my god. Bugs. Look at this.

INT. SPACE ARENA BASKETBALL COURT - DAY

ORANGE NERDLUCK
We've gotta play some basketball.
Our first game is coming up.

PURPLE NERDLUCK
I'm not practicing.

RED NERDLUCK
Yeah, no way.

GREEN NERDLUCK
fuck that.

ORANGE NERDLUCK
Yeah, I don't know why I said that.
I don't wanna practice.

PURPLE NERDLUCK
Whenever I look at elevators I
start to see black. I want to hit
someone.

ORANGE NERDLUCK
We need to chill.

BLUE NERDLUCK
We should jack off.

PURPLE NERDLUCK
Gay.

BLUE NERDLUCK
Separately.

PURPLE NERDLUCK
Oh, bet.

GREEN NERDLUCK
Do you guys think it's more racist
to never jack off to black porn or
to only jack off to black porn.

ORANGE NERDLUCK
What.

RED NERDLUCK
I don't think you can be racist
while jacking off.

BLUE NERDLUCK
You can.

PURPLE NERDLUCK

When you say black porn do you mean the guy or the girl.

GREEN NERDLUCK

The guy obviously.

BLUE NERDLUCK

I'll jack off to anything it doesn't matter to me.

ORANGE NERDLUCK

I think it's more racist to avoid jacking off to porn with a black guy.

PURPLE NERDLUCK

I don't think it's racist to do that.

ORANGE NERDLUCK

You're jacking off and a black guy comes up, you switch it off?

GREEN NERDLUCK

What do you mean, "comes up"? Like you're not controlling what you jack off to?

RED NERDLUCK

That's racist.

PURPLE NERDLUCK

I jack off to black girls all the time. I'm not racist.

ORANGE NERDLUCK

But not guys?

PURPLE NERDLUCK

I don't jack off to guys.

ORANGE NERDLUCK

But you won't jack off to straight porn with a black guy.

PURPLE NERDLUCK

No.

RED NERDLUCK

Once I pull my dick out, I can't be held responsible for what is on the screen.

BLUE NERDLUCK

I will jack off to anime and not even the kind of anime that you are supposed to jack off to.

ORANGE NERDLUCK

You're racist dude.

PURPLE NERDLUCK

I'm racist? Hahaha. That's rich. I'm probably the least racist one here.

BLUE NERDLUCK

I'm the most racist one here.

SECRETARY

What's going on.

ORANGE NERDLUCK

We're chilling.

GREEN NERDLUCK

Yeah, we're chilling.

SECRETARY

It's time to coach you guys. We've got our first game next week. I'm the coach too. I absorbed a coach's power and I think I've got a good handle on this.

RED NERDLUCK

Who are we playing?

SWACKHAMMER

We've got some great opponents lined up for you. I think you might even recognize them.

GREEN NERDLUCK

Whose talent did you steal?

SECRETARY

Not important.

INT. SEWER ROOM - NIGHT

Porky the Pig's decayed body swings from a noose.

MOSSAD STEVE

Whoever did this. We'll make them pay.

BUGS BUNNY

Porky did that. He killed himself earlier.

MOSSAD STEVE

Oh. Well where are the rest of your friends.

LEBRON JAMES

I need a second.

LeBron takes his last perc.

BUGS BUNNY

I'm not sure. The last time I was here, they were also here. And now they are not.

Mossad Steve finds Marvin's map.

MOSSAD STEVE

What's this?

BUGS BUNNY

That's Marvin's map. He had been working on it for years. There's no way he would leave without it.

LEBRON JAMES

I need to chill for a second.

MOSSAD STEVE

Something is off.

BUGS BUNNY

Where are my cartoon friends.

LEBRON JAMES

I think I missed a few basketball games while we been down here.

MOSSAD STEVE

Oh my god. What's this.

INT. SPACE ARENA BASKETBALL COURT - DAY

SWACKHAMMER

How is practice going?

SECRETARY

It's fine. We should be ready soon. By the way I'm not a pedophile.

SWACKHAMMER

That's great news because tickets
have sold out.

ORANGE NERDLUCK

Who would want to watch us play.

RED NERDLUCK

And who are we playing?

SWACKHAMMER

Some old friends.

Swackhammer pulls a big lever.

INT. SEWER SYSTEM - NIGHT

Mossad Steve pulls a small object out of some trash.

It's a poker chip.

CLOSE ON: The chip reads "SPACE VEGAS"

MOSSAD STEVE

I know where your friends are.

INT. SPACE ARENA BASKETBALL COURT - DAY

Swackhammer releases the lever.

The looney tunes fall from the rafters. Daffy Duck, Elmer
Fudd, Yosemite Sam, Foghorn Leghorn, Marvin the Martian, and
Tweety Bird. They are all beaten bloody and hogtied.

SWACKHAMMER

Nice to see you again, Toon Squad.

DAFFY DUCK

You're fucking crazy.

Tweety Bird coughs up blood.

ELMER FUDD

Just kill me already.

SWACKHAMMER

Kill you? No, no, no. You've got a
big game coming up. You should be
focused on that.

Swackhammer picks up a 50lb dumbbell with both hands.

SWACKHAMMER (CONT'D)

And as you know, basketball is a
five on five sport.

Marvin the Martian scans the room, counting his friends.

MARVIN THE MARTIAN

No. No.

Swackhammer slowly walks to the pile of toons.

He raises the dumbbell up to his chest.

SWACKHAMMER

You all seem to have such great
stamina. I don't think there will
be a need for any subs.

MARVIN THE MARTIAN

STOP!

Swackhammer drops the dumbbell onto Tweety Bird.

His brain explodes. His eyes pop out like a Panic Pete doll,
but they don't go back in. Tweety's teeth fly out in
different directions. They slide on the hardwood.

SWACKHAMMER

You better clean that up before you
practice. Don't want to slip and
roll an ankle.

Swackhammer leaves.

MARVIN THE MARTIAN

AGGHHHHHHGHGHHHHHHGHGHHDHAGHHHH!!!!

FOGHORN LEGHORN

Now I say-I say-I say he has
exploded our friends head.

DAFFY DUCK

I broke my leg when I fell. I don't
think I can stand. I can't move.

SECRETARY

I think we can win this game. Our
opponents do not look too strong
and we have been practicing.

GREEN NERDLUCK

Who cares.

ORANGE NERDLUCK
We have not been practicing.

SECRETARY
Hey, have you guys seen any kids
around here? I kind of would like
to hang out with some young kids.

INT. SEWER SYSTEM - NIGHT

Steve rotates and examines the poker chip.

MOSSAD STEVE
Space Vegas.

BUGS BUNNY
Swackhammer is behind this. He has
abducted the toons.

LEBRON JAMES
Who is Swackhammer.

MOSSAD STEVE
The former owner of Moron Mountain.
Now he runs the biggest tourist
destination in the galaxy.

LEBRON JAMES
Space is real? Aliens?

MOSSAD STEVE
Yes.

BUGS BUNNY
We have to kill those mother
fuckers.

LEBRON JAMES
I would like to go home. I think I
have had enough of this.

MOSSAD STEVE
It's too late to go back.

LEBRON JAMES
Perhaps this is my punishment. I
blamed my teammates while I slacked
off. I corrupted my mind and body
with percocet. I told my beautiful
wife I would kill her with one
punch.

THE RETRIBUTION REMIX OF **ASHES WHERE I WALK** by **KAMIYADA**
STARTS TO PLAY.

BUGS BUNNY

When Swackhammer pays for his
crimes you will be absolved of
yours.

LEBRON JAMES

Really?

BUGS BUNNY

No. We can never escape our sins.

Mossad Steve cocks his three deagles.

MOSSAD STEVE

It's time to fuck em.

BILL MURRAY

When we get to Space Vegas everyone
is my enemy. I'm going to let the
stick talk.

LEBRON JAMES

I miss my family.

INT. LEBRON'S LIVING ROOM - NIGHT

SAVANNAH JAMES

Have you seen LeBron lately? He's
been missing basketball games and
he's not in the bathroom.

R.L. Stine smokes weed.

R.L. STINE

Haven't seen him.

MAVERICK CARTER

I have not seen him, no.

SAVANNAH JAMES

Did he say if he was going
somewhere? He's not picking up his
phone.

R.L. Stine smokes weed.

R.L. STINE

I don't think so. He was mostly
doing percocet.

MAVERICK CARTER
He was with Bugs Bunny.

SAVANNAH JAMES
He was doing percocet with Bugs
Bunny?

Maverick pauses Aqua Teen Hunger Force. It seemed like they would be able to watch and talk, but it is clear that Savannah is not interested in watching at all. She keeps talking over the show and they are starting to miss jokes.

MAVERICK CARTER
Bugs wasn't doing percocet, he was
just smoking.

R.L. STINE
We were all chillin and then they
left.

SAVANNAH JAMES
He left with Bugs Bunny?

R.L. STINE
Yea.

Maverick presses play on Aqua Teen Hunger Force. They watch twelve seconds of it. It's the wisdom cube episode.

SAVANNAH JAMES
Neither of you have heard from
him??

MAVERICK CARTER
Eughhhh.

Maverick pauses Aqua Teen Hunger Force.

R.L. STINE
No.

SAVANNAH JAMES
If you hear something.

Maverick hits play on Aqua Teen Hunger Force.

SAVANNAH JAMES (CONT'D)
Please-

Maverick turns the volume up eight notches.

SAVANNAH JAMES (CONT'D)
 -tell me.
 (beat)
 I'm worried about him.

TV
 Then I had an idea for a
 dream vacation. I mean I had
 the spread, OK. The beach.
 The hotel. Then I wrote all
 this all this down. Wrote it
 all down. Really wrote it.
 Like 5 pages. Fuckin lost it.

Savannah leaves.

MAVERICK CARTER
 We should text Bron about coke.

INT. SPACESHIP - NIGHT

MOSSAD STEVE
 We will be at Space Vegas soon.
 Based on what I figured out through
 research, Swackhammer is promoting
 a basketball game tomorrow night.
 The game will be a rematch between
 the Monstars and your friends. It's
 sold out. It's the biggest event in
 space.

BUGS BUNNY
 Thank you for your research.

BILL MURRAY
 We need to hit them hard. Bum rush
 the court and turn it into
 columbine.

MOSSAD STEVE
 No Bill Murray. We don't have the
 numbers.

BILL MURRAY
 Fuck the numbers.

MOSSAD STEVE
 Swackhammer will have top level
 security posted throughout the
 Space Arena. If we take him head on
 we will die.

LBERON JAMES
 I do not want to die.

MOSSAD STEVE
 We must utilize stealth like the
 video games Hitman or Hitman 2.

BUGS BUNNY
I've never played those games.

LEBRON JAMES
I only played at my friends house.

BUGS BUNNY
I've heard they're good.

LEBRON JAMES
They're alright.

MOSSAD STEVE
This is how we'll get in.

Steve explains the plan.

BUGS BUNNY
Ok.

LEBRON JAMES
I hope this works.

BILL MURRAY
If I think, even for just one second, that this plan has been compromised. That our cover has been blown? I'm going to start bustin.

MOSSAD STEVE
I'm begging you not to start bustin Bill Murray.

BILL MURRAY
I was in the Garfield movies.

Bugs Bunny smokes a cigarette.

INT. SPACE ARENA SKYBOX - NIGHT

SWACKHAMMER
The Space Arena. The greatest sporting and entertainment venue in the galaxy. 300,000 seats and by this time tomorrow they'll be filled with 300,000 wallets.

MAN IN SHADOWS
You've done well.

SWACKHAMMER
Thank you, Master.

The man in the shadows blows cigar smoke.

MAN IN SHADOWS

See to it that this game goes off without a problem. It should be the first of many.

SWACKHAMMER

Of course, Master.

SECRETARY

I've been looking for some young kids and I can't find any.

MAN IN SHADOWS

What.

SECRETARY

Some young kids.

SWACKHAMMER

Not now.

SECRETARY

Would like to find one or two and spend some time with them.

The Man in shadows vanishes.

SECRETARY (CONT'D)

Might try the internet.

INT. SPACE VEGAS JAIL CELL - NIGHT

DAFFY DUCK

This is bad.

MARVIN THE MARTIAN

We'll make it through this. We just have to stay alive.

Elmer Fudd punches himself in the face. A tooth pops out and he uses it to slit his wrists.

DAFFY DUCK

Elmer stop. We can't give up.

ELMER FUDD

I don't want to end up like Tweety Bird. If I'm going I'm going on my own terms.

MARVIN THE MARTIAN

We need each other now more than ever. Please do not kill yourself Elmer Fudd.

DAFFY DUCK

Bugs is still out there. He'll come for us. Someone will.

ELMER FUDD

Bugs? If he wasn't killed by Swackhammer then the sewer monsters got him. We're fucked. We die in this cell or Swackhammer uses us up and we die on the court. I don't want to give him the satisfaction.

FOGHORN LEGHORN

I gotta shit.

DAFFY DUCK

Elmer, my leg is broken. I can't walk. I may never walk again. But this is not the way out. We can't give up.

ELMER FUDD

You should give up. I would have more respect for your honesty than your ignorance.

Foghorn Leghorn shits on the jail toilet.

YOSEMITE SAM

Do it then.

MARVIN THE MARTIAN

Yosemite Sam, please.

YOSEMITE SAM

He can make his own decisions. 23 years in the sewer only to land here. I won't judge anyone who has been through what we have.

ELMER FUDD

Thank you.

Elmer Fudd prepares to cut himself. His hand shakes. He drops the tooth. He picks it up. He drops it again.

YOSEMITE SAM

Coward.

DAFFY DUCK

The game is tomorrow. We need to find a weakness in the guard rotation we can exploit.

MARVIN THE MARTIAN

I don't think any of the guards will bend, but there is a weakness in Swackhammer's team. If we can get to him, we can get out.

FOGHORN LEGHORN

Let's do this.

Foghorn Leghorn grabs the cell bars. He flexes his hands ensuring a tight grip. He cocks back his head and **rams** it into the bars, knocking himself out cold.

MARVIN THE MARTIAN

Perfect.

EXT. SPACE VEGAS CASINO - NIGHT

BILL MURRAY

This sucks.

MOSSAD STEVE

Be patient.

BILL MURRAY

I mihgt kill a civilian.

BUGS BUNNY

Don't do that.

BILL MURRAY

It is not my decision.

MOSSAD STEVE

You're jeopardizing the mission.

BILL MURRAY

Slaat.

MOSSAD STEVE

Almost time. On my signal we move.

INT. SPACE VEGAS GUARD BOOTH - CONTINUOUS

Two guards sit in the booth watching security monitors and a small TV playing Sportscenter. A third guard patrols outside.

GUARD 1
Who you got in the playoffs.

GUARD 2
Who cares, Warriors are winning.

GUARD 1
East then.

GUARD 2
Bucks or Raps.

GUARD 1
No Sixers?

GUARD 2
No Sixers.

They watch the monitors for twenty seconds.

GUARD 1
Got anything going for the weekend?

GUARD 2
Probably check out the mall.

GUARD 1
What's good at the mall.

GUARD 2
I like to dress nice there. I wear nice pants, shoes, sometimes a suit. I'll wear something nice like that and I'll walk around and see who's there. Pretty soon I'll find a girl and I'll follow her for just a few seconds. Then I'll run up quick and grab her shoulder and say something like, "Hey, Steph!" The shoulder is good but sometimes I'll even grab her waist or her hand. I try to use a different name every time, but I end up using "Steph" a lot. Once they turn around I let go quick and start to apologize. I'll say, "I'm **so so sorry**, I thought you were my friend Steph, I-I'm, so sorry." I stutter my apology a lot to sell it more. I do that and they always buy it because I'm wearing nice clothes and I'm not that ugly. It wouldn't work if I was ugly or I dressed bad.

(MORE)

GUARD 2 (CONT'D)

I walk away embarrassed and they think I'm just an awkward guy who made a mistake. I'll do this to three or four girls and then go home. When I started I did it for the physical contact, but now I get off on the lying. Lying right to their face. And they have to believe me because what are they going to do? Call security and say I touched them by accident? I made an honest mistake and there's no way they can prove I didn't. I don't even want a girlfriend anymore because I'm so addicted to it.

GUARD 1

What.

MOSSAD STEVE

(o.s.)

!))ψ))

PEW PEW. Two silenced shots pierce the glass and hit both guards in their heads. Their bodies slump in the booth.

EXT. SPACE VEGAS GUARD BOOTH - CONTINUOUS

Mossad Steve bursts out of the bushes and subdues the third guard with a garrote. He drags the body into the booth.

INT. SPACE VEGAS GUARD BOOTH - CONTINUOUS

Bugs, LeBron, and Steve start taking their clothes off and changing into the guards clothes.

BILL MURRAY

Let me wear one of their shoes or something.

MOSSAD STEVE

You don't need to change clothes. Keep your clothes on. Weren't you listening to the plan?

BILL MURRAY

Let's check out their dicks then.

Bill Murray starts to peel one of the guards underwear off.

BUGS BUNNY

What the fuck is wrong with you
Bill Murray.

Steve bats Bill's hand away.

MOSSAD STEVE

Based on these schedules the next
guard change should be in two
hours. That's two hours before
Swackhammer knows something is up.

LeBron rifles through the cabinets and fucks up the booth.

BUGS BUNNY

Take it easy.

LEBRON JAMES

I'm looking for painkillers. I have
not had a perc in almost 40 hours
and I'm experiencing withdrawal
symptoms like nausea, muscle
cramping, depression, agitation,
anxiety, and the craving for doing
more percs.

BILL MURRAY

Try chilling out.

BUGS BUNNY

Yeah, that could work.

LEBRON JAMES

I do not think it will work.

MOSSAD STEVE

We do not have time to experience
opiate withdrawal.

BUGS BUNNY

This is nothing. Pressure doesn't
break you. Remember game six
against the Celtics?

LEBRON JAMES

I was not addicted to percocet
then.

SCOTT VAN PELT

(o.s.)

A bit of Lakers drama.

BILL MURRAY

Hey. They're talking about your team.

CLOSE ON: Sportscenter on the TV

SCOTT VAN PELT

When we continue. We'll be discussing the Lakers vacancy at head coach. Days after the news of Magic Johnson's resignation, Luke Walton has parted ways with the Lakers as well. More Sportscenter, coming up.

LEBRON JAMES

Magic Johnson gave him AIDS and I did nothing to help him.

MOSSAD STEVE

We need to focus please.

INT. SPACE VEGAS JAIL CELL - MORNING

ELMER FUDD

Foghorn Leghorn is dead.

YOSEMITE SAM

He's not dead, he's just given us a way out.

DAFFY DUCK

Guard!!!

MARVIN THE MARTIAN

Guard!! Guard!! Something is wrong with Foghorn!

The prison guard walk in.

PRISON GUARD

You better shut up in there if you know what's good for you.

MARVIN THE MARTIAN

Look. We need a doctor, something's wrong with Foghorn. He's passed out.

PRISON GUARD

Like I give a fuck.

DAFFY DUCK

We're playing a game tonight. **All five of us**. How do you think Swackhammer is going to react when he can only pull four of us to play?

PRISON GUARD

Hmmmmmm.

YOSEMITE SAM

Just get the secretary. He can decide if it's important enough to deal with. You cover your ass and we get Foghorn help.

PRISON GUARD

Take it easy....I'll see if he's around.

MARVIN THE MARTIAN

Thank you.

The prison guard leaves.

ELMER FUDD

The secretary? He's not gonna help us.

MARVIN THE MARTIAN

The secretary has worked in Swackhammer's office for years doing nothing but assistant work and jacking him off, but now he's coaching the basketball team? He absorbed someone's talent too.

YOSEMITE SAM

And I think I know whose.

The Secretary is now here.

SECRETARY

What's goign on.

MARVIN THE MARTIAN

We need to talk to you.

SECRETARY

I heard someone was hurt.

DAFFY DUCK

We're fine, we just need to talk for a second.

YOSEMITE SAM
We want to make a deal.

SECRETARY
It looks like he is hurt.

Foghorn Leghorn is still facedown on the ground.

MARVIN THE MARTIAN
He's fine. Listen. You've got to
let us out.

SECRETARY
Hahahaha. Alright see ya.

DAFFY DUCK
We can get you what you want.

SECRETARY
I'm sure. Good luck at the game.
With that leg you're gonna need it.

YOSEMITE SAM
We can help with your... thirst.

The Secretary freezes.

SECRETARY
What.

YOSEMITE SAM
Since you absorbed that coach's
talent, you haven't felt the same
have you.

DAFFY DUCK
You take on more than just their
ability. You take on their mind-
set. Their feelings...their
desires.

MARVIN THE MARTIAN
If you free us Yosemite Sam will
show you how to use the TOR browser
to access child pornography.

SECRETARY
You can't be serious.

YOSEMITE SAM
I am.

ELMER FUDD
Jesus Christ.

SECRETARY

How can I trust you.

YOSEMITE SAM

Free me. We'll settle our business.
When you're happy we come back and
get them.

The Secretary stares at Yosemite Sam. He pulls a gun on him.

SECRETARY

Let's go.

The Secretary frees Yosemite Sam and shuts the jail.

The Secretary keeps the gun on Sam and walks him away.

ELMER FUDD

What the fuck.

MARVIN THE MARTIAN

It was the only way.

ELMER FUDD

I wish I had killed myself so I
didn't have to see this.

DAFFY DUCK

We were left with no choice. Rot
here for an eternity of torture or
seize an opportunity to escape. The
longer we wait, the fewer options
we have.

MARVIN THE MARTIAN

"Victory comes from finding
opportunities in problems"
-Sun Tzu

ELMER FUDD

Sun Tzu was not talking about child
pornography.

MARVIN THE MARTIAN

It was an old book, you can't be
sure what he was talking about.

ELMER FUDD

It was called The Art of War not
The Art of Child Pornography. I am
sure I know what he was talking
about.

DAFFY DUCK

You are overreacting to this. It's not like Yosemite Sam is going to make child pornography.

MARVIN THE MARTIAN

That would be wrong.

DAFFY DUCK

He's just going to show someone it.

ELMER FUDD

There is no difference.

MARVIN THE MARTIAN

Ok YOU are being difficult. I admit what we are doing is not an easy decision. But there is a clear difference between making child pornography and consuming it.

ELMER FUDD

There isn't. You're sick both ways. I feel fucking sick right now.

DAFFY DUCK

What is wrong with you. We are fucking slaves. Tweety Bird has been murdered. That psycho is going to kill us all.

MARVIN THE MARTIAN

Honestly ask yourself, would you succumb to a lifetime of actual torture for your morals? Sure they're strong today, but how about tomorrow? How about in a year? How about in ten years?

ELMER FUDD

You haven't given me the option. We've been here one day and you already made the decision.

DAFFY DUCK

You saw what he did to Tweety. The longer we wait here the more likely that happens to us. I won't die here.

ELMER FUDD

We should all die here for what we've done here.

Yosemite Sam comes back.

YOSEMITE SAM
We need to go now.

He unlocks the cell.

MARVIN THE MARTIAN
Get up Foghorn, the plan worked.

Foghorn Leghorn does not get up. Daffy touches him.

DAFFY DUCK
Shit I think Foghorn Leghorn is
actually dead.

INT. SPACE VEGAS CASINO - DAY

ALISON
Hello Sarah.

SARAH
Hello Alison.

ALISON
What do you want to talk about?

SARAH
That is a good question. There are
many different things we could talk
about.

ALISON
I agree. The potential topics are
limitless. Perhaps we should narrow
them down to a core few and then
decide from there.

SARAH
Should we talk about a man?

ALISON
Hmmm. I do not think that is a
good thing to talk about.

SARAH
Ok. Should we talk about the secret
pedophile rings that permeate
throughout the elite upper class?

ALISON

I do not want to get suicided so no. I do not think that is a good thing to talk about.

SARAH

Ok. Should we talk about the carpet.

ALISON

The carpet is nice. I like the carpet.

SARAH

I like it the carpet as well too.

ALISON

Good carpet.

SARAH

I have created an idea of what the carpet feels like based on vision alone. I have not yet touched the carpet, but through the power of my brain I can imagine its texture. The primary fibers used and the tactile sensation they would produce as I drag my hand through it. I have created an idea of what the carpet feels like based on vision alone.

ALISON

Wow.

Sarah touches the carpet.

ALISON (CONT'D)

Now that you have touched the carpet. How does the reality compare with your imagined experience?

SARAH

I could not have been more wrong.

ALISON

Ah.

LeBron, Bugs Bunny, Mossad Steve, and Bill Murray run by.

INT. SPACE VEGAS CASINO HALLWAY - CONTINUOUS

MOSSAD STEVE

We need to find the holding cells.
That should be where they are being
held.

BUGS BUNNY

Of course.

BILL MURRAY

I'm ready to die.

LEBRON JAMES

I need methadone or even better
would be more percocet.

MOSSAD STEVE

You've got to keep it together
LeBron. Swackhammer must know we're
here by now. We can't afford any
mistakes.

BUGS BUNNY

Please keep it together LeBron
James. I'm worried more of my
friends have been killed or
committed suicide.

LEBRON JAMES

I have decided not to keep it
together.

LeBron James leaves.

BUGS BUNNY

This is bad. How will this affect
our plan?

MOSSAD STEVE

It is not good Bugs Bunny.

INT. SPACE ARENA SKYBOX - CONTINUOUS

A security camera watches Steve, Bugs, and Bill Murray.

MOSSAD STEVE

(o.s.)
Not good at all.

MAN IN SHADOWS

For once we agree Steve.

SWACKHAMMER

Master, I have terrible news. It seems the toons have escaped. Most of the Nerdluks have been arrested for violent crimes as well. Also the Secretary has abandoned his coaching duties and if our ISP finds out what he's been working on we will be in even more trouble.

MAN IN SHADOWS

Do not worry about our ISP.

SWACKHAMMER

What should we do about the toons? They must be recaptured before tonight's game. Who is going to play?

The Man in the Shadows clicks a small remote.

A monitor turns on and shows footage of Yosemite Sam opening the jail cell and freeing the others.

MAN IN SHADOWS

I've risked too much on this game to lose now.

The Man flexes his left wrist. A sharp glare bursts from his hand as several diamond rings reflect and catch the light.

MAN IN SHADOWS (CONT'D)

My whole life has been spent gambling. People say, "Only bet what you can afford to lose."

(a beat)

I can't afford to lose any more.

He moves his hands to control the Minority Report monitors.

He cycles through medical documents and arrives at five skull x-rays. The outlines clearly belong to Daffy Duck, Yosemite Sam, Marvin the Martian, Elmer Fudd, and Foghorn Leghorn.

There are small black squares in each skull.

MAN IN SHADOWS (CONT'D)

I can't.

The man clicks the remote.

On the security footage screen we see Foghorn Leghorn's motionless body. **His head explodes.**

INT. SPACE VEGAS HALLWAY - DAY

MARVIN THE MARTIAN

We need to find a car or a spaceship or a teleporter or something that will move us away from here.

DAFFY DUCK

I can't keep up. I need a wheelchair or something.

YOSEMITE SAM

There's no time and I did not bring a wheelchair.

Yosemite Sam shoots someone.

MARVIN THE MARTIAN

The main problem is that we don't know where to go. We haven't been here before and that is working against us. If we had been here before we would know where to go. But we have not.

DAFFY DUCK

Should we ask for directions.

YOSEMITE SAM

No.

ELMER FUDD

You should ask for directions to hell, since you will be going there.

DAFFY DUCK

Are you still complaining about this cp thing.

ELMER FUDD

Yeah. I am still complaining about it.

DAFFY DUCK

At this point I am forced to assume you are making such a big deal out of it because you yourself have wrestled with your own pedophilia and seeing the Secretary's thirst fulfilled forced you to confront the demons you have been suppressing your whole life.

ELMER FUDD

I think child pornography is wrong
so you assume I am a pedophile.

DAFFY DUCK

I'm afraid that logic and reason
have given me no other conclusion.

BUGS BUNNY

Ehhhh, what's updocs.

MARVIN THE MARTIAN

Jesus Christ. Bugs you're alive.

YOSEMITE SAM

How did you get out of the sewers?

MARVIN THE MARTIAN

How did you get here.

ELMER FUDD

Yosemite Sam accessed child
pornography to facilitate our
escape.

BUGS BUNNY

Ehhh, that's cool. But I'm thinkin
it's time we blow this pop stand.

MARVIN THE MARTIAN

You know how to get out of here?

BUGS BUNNY

Yeaaaaah. Let's blow this pop
stand.

DAFFY DUCK

Christ, thank you Bugs. I knew you
would come back for us. I knew you
would.

BUGS BUNNY

Pop stand.

YOSEMITE SAM

Are you feeling alright? Do you
need a cigarette?

BUGS BUNNY

Ehhh, Follow me. Right through this
door. Let's go through this door
together.

DAFFY DUCK

Let's get the fuck out of here.

They open the door and walk into darkness.

INT. DARK HALLWAY - CONTINUOUS

The dark hallway is lit by interspersed quasar LED tubes.

It seems to be a tunnel of sorts.

MARVIN THE MARTIAN

Where now Bugs?

BUGS BUNNY

HehYYyhhzZZzhhhhhh hooiiiiih.
JJJjjbbzzzzzzz OOpppooP
SSSSSSSSSS tand.

YOSEMITE SAM

Bugs, smoke a cigarette and calm
down.

Bugs shimmers in the light.

BUGS BUNNY

Wh-wh-wh-wh-wh-wh-wh-wh-wh-wh-wh-wh-
wh-wh-wh-wh-wh-wh-wh-wh-wheuuts.

Yosemite Sam produces a cigarette and hands it to Bugs...

...the cigarette goes **right through his hand.**

MARVIN THE MARTIAN

Oh no...

Bugs flickers in the light rapidly before **disappearing.**

MARVIN THE MARTIAN (CONT'D)

Hologram.

KR-CHINK The sound of a large lock echoes in the hallway.

DAFFY DUCK

We have made a large mistake.

INT. SPACE VEGAS CASINO - DAY

BUGS BUNNY

Will this still work without
LeBron?

MOSSAD STEVE

It has to. This is our only shot.

Steve and Bugs walk Bill Murray up to the customer service desk in the casino. They have him in handcuffs. Steve's uniform is a little too baggy, but Bug's uniform does not fit him at all. His huge fucking ears are sticking out from his helmet and canonically he is only three feet tall so the pants and shirt don't really fit him either. Also he is a cartoon which looks different than real people.

MOSSAD STEVE (CONT'D)

Hello. We have just caught someone who has been counting cards.

BILL MURRAY

I have been caught counting cards.

MOSSAD STEVE

Exactly. And now we would like to bring him to a holding cell, where would that be?

CUSTOMER SERVICE GIRL

That's Bill Murray.

BILL MURRAY

Time for plan B.

Bill Murray raises his arm and activates his quick draw sleeve gun system. The glock 42 rockets to his hand.

BUGS BUNNY

Bill, no.

BANG. Bill puts a hole in the service girl's skull.

Her body wriggles a bit but manages to stand tall while blood seeps out of the new hole in her face. Footsteps approach.

CUSTOMER SERVICE GUY

(o.s.)

Hey Tracy, did we reorganize where the blanks are? A diamond member needs a

A customer service guy appears out of the back.

CUSTOMER SERVICE GUY (CONT'D)

reprint of his player card, but I can't find the diamond blanks.

Tracy's body collapses. Her head **collides** with the counter surface and stains paperwork with her blood. Her momentum slides her face off the counter as her body folds on itself.

BILL MURRAY

Scream and-

CUSTOMER SERVICE GUY

AHGHggghGHhhHHHHHHHHHHhhHHHHHHHHH!!

!!

Bill dumps five shots into the customer service guy's open mouth. The bullets obliterate his teeth and create exit wounds at the back of his throat.

The customer service guy collapses on top of the dead girl. He is not dead, his body writhes and he chokes on blood.

The constant gurgling of fluids creates a geyser and **pushes chunks of his teeth** out of the hole in the back of his neck.

BUGS BUNNY

Bill Murray what have you done.

EEEEeeooHHHH EEEEEeeooHHHH A security alarm starts blaring.

MOSSAD STEVE

We have to go. They have probably gained knowledge of the murders you just did.

Bugs jumps over the counter and moves into the back room. Steve grabs Bill and follows. They slam the door shut.

INT. CASINO CUSTOMER SERVICE BACK ROOM - CONTINUOUS

MOSSAD STEVE

We're fucked. You shot two people in the middle of a casino.

BILL MURRAY

(loading a new mag)

It's about to be more than two.

BUGS BUNNY

Bill Murray, I am beginning to think you do not care about rescuing the looney tunes.

Bill Murray inhales alkyl nitrite.

BILL MURRAY

reeaaarrRRRGRGHHHHH!

Bill lowers his shoulder and charges the door.

Inches before contact the door swings back open and knocks Bill unconscious.

On the other side of the door is a riot shield. A flashbang pops over the top.

MOSSAD STEVE

CLOS-

pSHHHHHHHHEW All white. Ears ringing.

We hear the clinks of more grenades rolling in.

The white light fades as a noxious gas overtakes the room.

By the time the light has faded completely Bugs, Steve, and Bill Murray are completely passed out.

INT. SPACE ARENA BASKETBALL COURT - NIGHT

BUGS BUNNY

What's going on.

MOSSAD STEVE

Where are we.

One arena light turns on.

DAFFY DUCK

Hell.

SWACKHAMMER

Welcome. To the big game.

BILL MURRAY

Let me out of these chains and I'll fuck you up bitch. I would scrape you ho.

Bill Murray spits blood on the ground.

BUGS BUNNY

I'm wondering why I'm here.

SWACKHAMMER

You are probably wondering why you are here.

A basketball rolls out onto the court.

MAN IN SHADOWS
Put twenty minutes on the clock.

The Man steps out of the shadows.

MAN IN SHADOWS (CONT'D)
Actually. Make that **twenty days**.

His bootcut jeans are revealed. Light catches his bald head.

MAN IN SHADOWS (CONT'D)
It's time for some good,

His hand emerges from the shadows...

MAN IN SHADOWS (CONT'D)
Old fashioned,

...One, two, three, four, five....six rings.

MAN IN SHADOWS (CONT'D)
Basketball.

It's **Michael Jordan**.

MICHAEL JORDAN (CONT'D)
Motherfuckers.

INT. SPACE VEGAS SICK BAY - NIGHT

LEBRON JAMES
I need those percs.

LeBron punches clear through a glass cabinet. He grabs a random bottle and retracts his glass impaled hand.

CLOSE ON: The bottle reads "Hand Sanitizer"

LEBRON JAMES (CONT'D)
Percs.

LeBron tries to unscrew the top.

CHAMILLIONAIRE
Yo.

LEBRON JAMES
Chamillionaire?

CHAMILLIONAIRE
Put that hand sanitizer down
LeBron.

LEBRON JAMES

I need to get high.

CHAMILLIONAIRE

You're the best basketball player in the world. Look at yourself.

LEBRON JAMES

You're probably not even real. These are dope hallucinations like in my favorite movie Trainspotting.

CHAMILLIONAIRE

Why are you here LeBron. You made a promise to Bugs Bunny. You said you would help him rescue the Looney Tunes. You said you would help him rescue the Looney Tunes and here you are. Alone. Running cabinets for dope.

LEBRON JAMES

I can't even fuckin think until I fix up. Please leave me alone Chamillionaire.

CHAMILLIONAIRE

I can help you. We want the same thing.

LEBRON JAMES

I do not want to join the chamillitary. Also you're not real.

CHAMILLIONAIRE

I'm not real? Take this.

Chamillionaire gives LeBron James heroin.

LEBRON JAMES

What's this?

CHAMILLIONAIRE

Heroin.

LEBRON JAMES

I mostly fuck with pills but I will make an exception in this one case.

CHAMILLIONAIRE

This doctor's office will have works on deck.

Chamillionaire produces a cooker. He mixes the heroin with injection water and citric acid. Chamillionaire applies heat and stirs the mixture. Next he adds a cigarette filter to filter out the insoluble particles. He then draws the drug solution into a syringe.

LEBRON JAMES

Let's get it.

LeBron tourniquets himself. Chamillionaire injects him.

LEBRON JAMES (CONT'D)

Thank you Chamillionaire.

There's a knock at the door.

CHAMILLIONAIRE

No problem.

DOOR VOICE

(o.s.)

Heylo?

LEBRON JAMES

I have to wake up from this dream now. You have taught me that I was being selfish. I put my drug addiction before my promise to Bugs Bunny and I now realize that was wrong.

CHAMILLIONAIRE

This is not a dream.

DOOR VOICE

(o.s.)

I coming in chu clean de floors.

LEBRON JAMES

Hahaha. hu.

LeBron's vision distorts. Objects blend into one another. The door opens and a janitor walks in.

CHAMILLIONAIRE

You're nodding dumb off horse.

LEBRON JAMES

This is a nightmare and it is time to wake up.

LeBron shoulders his kel-tec and shoots the janitor.

JANITOR

AH! Heuhh.

The janitor crashes into his cart. The mop bucket is knocked to the ground along with him. The janitor tries to stand up, but his arms are weak. His arms slip on the mixture and he crashes back to the ground.

JANITOR (CONT'D)

HeuuuuuuUUUUUUUHHHHHH.

He tries again to raise himself off the ground. As he lifts his chest we see blood pour out and mix with the cleaning solution. He's far too weak. He collapses again and dies.

CHAMILLIONAIRE

Oh no man.

LEBRON JAMES

What have I done.

CHAMILLIONAIRE

We should leave.

INT. SPACE ARENA BASKETBALL COURT - NIGHT

BUGS BUNNY

Why are you doing this Michael. We used to be teammates. We were friends.

MICHAEL JORDAN

I had money on the game you retard.

FLASHBACK - Space Jam 1

MICHAEL JORDAN (CONT'D)

I'm putting money on the game.

NEWMAN FROM SEINFELD

Ok.

BACK TO PRESENT

MICHAEL JORDAN

The only friends I have are George Washington and Benjamin Frankling and the other guys who faces are on the money.

MARVIN THE MARTIAN

You don't have to do this.

MICHAEL JORDAN

You better shut the fuck up before
I kill you dog. It's time to play
ball.

Michael throws a basketball at Elmer Fudd's head. He's handcuffed and not totally paying attention so it just wrecks his face, no chance at dodging it.

MICHAEL JORDAN (CONT'D)

Do you think anyone would gamble on
a twenty day basketball game
between cartoons? You'd have to be
some sort of degenerate to do that.

Michael points to the suites that line the stadium.

Black outlines of people are visible in each suite.

MICHAEL JORDAN (CONT'D)

Luckily I know a few.

BILL MURRAY

Basketball games are usually forty-
eight minutes long. Twenty days is
much longer than that.

DAFFY DUCK

Fuck that. I'm not playing. I
refuse to be your pawn.

MICHAEL JORDAN

Is that so.

MOSSAD STEVE

Do not defy Michael Jordan, Daffy.

YOSEMITE SAM

He has the upper hand.

MARVIN THE MARTIAN

You should be a pawn.

Daffy Duck spits on the ground.

DAFFY DUCK

I'll di-

BOOM Michael Jordan clicks the remote and triggers the plastic explosive in Daffy's head. His dome explodes and chunks of duck brain fly all over the other toons.

MICHAEL JORDAN

What was that?

Michael Jordan walks over and presses his toe into Daffy's skull. He grinds it into the floor.

BUGS BUNNY
You're a fucking psycho.

BILL MURRAY
If we're hooping I need some shoes.
I don't have any basketball shoes.

THE **SPACE JAM THEME** by **QUAD CITY DJs** BEGINS TO PLAY.

MICHAEL JORDAN
(over PA system)
Let us begin.

MONTAGE

-The handcuffs unlock.

-Bugs, Steve, and Bill Murray put on red headbands. Yosemite Sam, Marvin the Martian, and Elmer put on blue headbands.

-A basketball falls from the ceiling and the game begins.

-The game clock begins counting down from twenty days.

-Men in expensive suits frantically place bets through landline telephones.

-Mossad Steve euro steps and scores. Yosemite Sam answers with a three. The teams trade buckets.

-Michael Jordan rubs his bulge through his pants.

-Bill Murray throws up.

-Some bettors celebrate. Others freak out and break phones.

BACK TO SCENE

BUGS BUNNY
How do we get out of this.

MOSSAD STEVE
It does not look good. It appears
Michael Jordan has installed
plastic explosives in our skulls
that can be remotely triggered at
his will.

BUGS BUNNY

I do not want the plastic explosive
in my head to be remotely
triggered.

BILL MURRAY

I was talking a big game earlier
but i am scared to die.

BUGS BUNNY

It killed Daffy Duck instantly.

MOSSAD STEVE

We have to destroy Michael's
remote. Our only option is some
sort of electromagnetic pulse.

BUGS BUNNY

How do we set off an EMP?

MOSSAD STEVE

Like this.

Mossad Steve spear tackles Marvin the Martian. He grabs him
with one hand on his crotch and one on his throat.

MARVIN THE MARTIAN

no. Mossad Steve, what are you
doing.

Steve raises Marvin off the ground and **launches him** directly
into the scoreboard.

Marvin connects with the electronic scoreboard and creates a
thunderstorm of sparks. His body seizes before crashing down
to the court. Steve looks up to the skybox.

INT. SPACE ARENA SKYBOX - CONTINUOUS

Michael Jordan frowns at the damage to the court. He shakes
his head and stares at Steve. He presses the button.

Nothing.

Michael checks the remote and presses again. Nothing.

The monitors start to fuck up. Their pictures turn to static.

Michael presses the remote rapidly. Over and over. No
response.

He snaps it in his hand, tosses it, and exits.

INT. SPACE ARENA BASKETBALL COURT - CONTINUOUS

MOSSAD STEVE

The EMP worked. Now's our chance.

BUGS BUNNY

What about Marvin.

YOSEMITE SAM

He died for the cause.

BILL MURRAY

A warrior's death.

ELMER FUDD

A jew threw him into a large
computer.

MOSSAD STEVE

Not important. Right now it's time
for the final battle.

BUGS BUNNY

I am still in shock that Michael
Jordan has been so consumed by
greed. His eyes have hollowed and
his soul blackened. He killed Daffy
in front of me...but still. But
still I see my friend. My teammate.
I find it hard to accept the man I
once knew is completely gone.

BILL MURRAY

That's fucking stupid.

MOSSAD STEVE

You never knew the real Michael.
Only a shadow.

YOSEMITE SAM

Michael Jordan is our foe and
tonight he will die by our hands.

BUGS BUNNY

You are right.

Bugs takes out a knife and cuts his hand deep. He squeezes
and allows the blood to drip out of his closed fist.

BUGS BUNNY (CONT'D)

When my past feelings of friendship
arise I will focus on this pain in
my hand and forget them.

(MORE)

BUGS BUNNY (CONT'D)
Chicago Bulls legend Michael Jordan
will pay for his crimes with his
life.

INT. HELICOPTER - NIGHT

CHAMILLIONAIRE
Are you good.

LEBRON JAMES
Yeah.

CHAMILLIONAIRE
You sure?

LEBRON JAMES
Yeah. I'm chilling off this heroin.

CHAMILLIONAIRE
Cool. It's going to be time for the
final battle soon. Will you be
ready for that?

LEBRON JAMES
Yeah. This heroin has gotten me
amped up actually.

CHAMILLIONAIRE
Cool.

LEBRON JAMES
You're good at driving this
helicopter Chamillionaire.

CHAMILLIONAIRE
Thank you.

LEBRON JAMES
What's the plan.

CHAMILLIONAIRE
I am going to fly this helicopter
into the main tower in order to
kill Michael Jordan 9/11 style.

LEBRON JAMES
What.

CHAMILLIONAIRE
I will emulate the style of the
9/11 terrorist attacks (aircraft
into building) in order to murder
Michael Jordan.

LEBRON JAMES
Michael Jordan?

CHAMILLIONAIRE
Yes. He is the puppet master behind
this whole operation.

LEBRON JAMES
I didn't know that.

CHAMILLIONAIRE
He is.

LEBRON JAMES
Even so. I can't in good conscience
agree with this plan.

CHAMILLIONAIRE
It's a good plan. I was talking to
Tim Duncan about it and he said it
was a good plan.

LEBRON JAMES
Tim said that?

CHAMILLIONAIRE
No. I was lying. I've never spoken
to Tim Duncan. About my 9/11 plan
or about anything at all. I don't
know what he would say about it but
I thought the idea of a fellow nba
legend agreeing with me would
comfort you before the crash.

LEBRON JAMES
This is fucking with my high.

EXT. SPACE VEGAS ROOF - NIGHT

Michael Jordan twirls a spear that has an uzi attached to the
bottom end and a bunch of nails sticking through the top.

MICHAEL JORDAN
It was always meant to end like
this.

Steve digs his feet into the ground, setting his stance.

MOSSAD STEVE
Yes. It was always meant to end.

BUGS BUNNY

All this, just for money? Tweety
Bird, Foghorn Leghorn, Daffy Duck.
All dead. Why Michael?

MICHAEL JORDAN

I love to gamble.

ELMER FUDD

Foghorn Leghorn killed himself.
It's unclear if it was by accident
or on purpose.

BUGS BUNNY

Why?

MICHAEL JORDAN

I love gambling a lot. I also have
immense space debts to several
creditors and if I didn't deliver
soon they would cut off my hands.
The revenue from the twenty day
game would have been enough to
cover my debts and then also keep
gambling some more.

BUGS BUNNY

Why did you trap us in the sewers?

MICHAEL JORDAN

I didn't do that.

YOSEMITE SAM

What about the Nerdlucks?

MICHAEL JORDAN

Can't remember.

BILL MURRAY

I'll fucking kill you myself.

Bill Murray rushes Michael, but he effortlessly sidesteps him. MJ carries his momentum into a wide swing of his staff...

...the nail end connects with Elmer's head, killing him instantly.

Yosemite Sam draws his six-shooter and dumps it, but only manages to hit Michael's afterimage.

MOSSAD STEVE

Michael Jordan is an expert in
stick-fighting, gun kata, and muay
thai.

Michael drags Elmer's body across the pavement. Elmer's blood
draws a bloody line in the ground. MJ puts his foot on
Elmer's neck and rips the staff out of his head.

BUGS BUNNY

How do we kill him.

BILL MURRAY

He's too powerful.

YOSEMITE SAM

We just form a fucking wall that's
all we do.

Michael sinks into the ground before super jumping twenty
feet into the sky.

MOSSAD STEVE

MOVE.

Michael unleashes a bullet rain from his uzi pewpewpewpew.

Steve, Bugs, Sam, and Bill all split into separate
directions.

Michael crashes back to earth. Everyone attacks him, but he
spins and parries every strike and shot.

YOSEMITE SAM

His defense is impregnable.

BUGS BUNNY

We have not practiced fighting as
much as him.

MOSSAD STEVE

There may be only one way to break
his posture. A sacrifice.

BILL MURRAY

As long as I am not the one being
sacrificed I agree.

BUGS BUNNY

You already sacrificed Marvin the
Martian. Is it truly the only way?
I feel like we rely on sacrificing
too much.

YOSEMITE SAM

Mossad Steve is a master of modern war tactics. If he believes this is the only option, I agree.

MOSSAD STEVE

It is the only option.

BUGS BUNNY

Who among us will die to tip the scales.

BILL MURRAY

Not me.

MOSSAD STEVE

I will do it. My conscience has weighed heavily for far too long. It's time I-

Mossad Steve runs into Yosemite Sam and slots one of his deagles in the Sam's armpit. He charges forward, blasting and using Sam as a human shield.

Michael Jordan spins his spear and deflects bullets.

Steve dumps the magazine and continues his charge.

MJ moves into a javelin position and **launches it...**

YOSEMITE SAM

Heeuh.

The impact is so powerful it knocks Sam and Steve back against the wall.

The spear has pierced Sam's heart and Steve's stomach. They are both pinned to the wall like a shish kebab.

MOSSAD STEVE

AGHHH! FUCK. I ALMOST HAD YOU.

YOSEMITE SAM (CONT'D)

(coughing up blood)
Bruap. Daj. Hhhhh .iii ...ji
iii.jjjjjhhhhhhh J jj.

Michael Jordan pulls out two sawed off shotguns.

MICHAEL JORDAN

Bill Murray and Bugs Bunny. Are you ready to die or do you want to suck each others cocks one last time.

*SWA

SWA

SWA*

BUGS BUNNY

Kill us then. I've been dead for years.

BILL MURRAY

We don't suck each other's cocks.

SWA SWA SWA

MICHAEL JORDAN

(raising shotgun)

That's all folks.

SWASWASWASWASWASWASWASWASWASWA

A **fuckin helicopter** rises up behind Michael.

INT. HELICOPTER - CONTINUOUS

Chamillionaire hammers the cyclic.

CHAMILLIONAIRE

\$15,000 for a picture mothafucka say some shit to me now.

LEBRON JAMES

Jesus christ.

Chamillionaire tilts the helicopter on a 45° angle and accelerates. The blades are aimed right at Michael Jordan.

EXT. SPACE VEGAS ROOF - CONTINUOUS

Michael Jordan spins and shoots at the helicopter...

...but the chopper can't be stopped.

The blades lacerate Michael's left arm first and cause him to drop his guns.

In seconds the blades reach his chest and start to cut him.

MICHAEL JORDAN

FHAHEHHHHHHHAFHGHHHHHH!!

Chamillionaire expertly halts the helicopter, allowing the blades to only cut Michael a few inches deep.

MICHAEL JORDAN (CONT'D)

AGJAJHFAHFHHHHHAHFHHHHHHH
FUAFUCKKKKKCKKKKKKKKKKKKK.

INT. HELICOPTER - CONTINUOUS

CHAMILLIONAIRE
Get a picture of this shit.

LEBRON JAMES
You're fuckin crazy man.

EXT. SPACE VEGAS ROOF - CONTINUOUS

Chamillionaire tilts the helicopter forward and allows the blades to **fully cut Michael Jordan in half** at the chest.

BUGS BUNNY
Holy shit.

Bill Murray shoots Michael's lower half a bunch.

BILL MURRAY
We did it.

Chamillionaire parks the helicopter on top of Michael Jordan's head. The helicopter crushes da fuck out of him.

CHAMILLIONAIRE
Nice to meet you Bugs Bunny. I am Chamillionaire.

BUGS BUNNY
Hey.

LEBRON JAMES
Bugs, it's so good to see you. Are you ok? Did you rescue your friends?

BUGS BUNNY
They are all dead except for Bill Murray and to be honest he is not really my friend.

Bill Murray continues shooting Michael's body parts.

LEBRON JAMES
At least you are ok.

BUGS BUNNY
I do not think I am ok.

CHAMILLIONAIRE
On my album Ultimate Victory I don't say the n word at all. Not even once.

BUGS BUNNY

I need a cigarette.

Bugs sits on the edge of the building and smokes. His legs dangle and winds blow softly. LeBron joins him.

LEBRON JAMES

I am sorry for abandoning you when you needed me most.

BUGS BUNNY

It's fine. You saved us. Michael was fucking us up bad before you got here. He threw a spear through Yosemite Sam and Steve. He got both of them in one throw.

LEBRON JAMES

I valued heroin above our friendship. I will never do that again.

BUGS BUNNY

You're doing heroin now?

LEBRON JAMES

Yes.

Bill Murray is still shooting Michael's dead body. For all of this there is a constant sound of sustained distant gunfire, a slight break for reloading, and then more gunfire.

BUGS BUNNY

What now.

LEBRON JAMES

I need to practice basketball. I missed the playoffs this year because my teammates suck and I was addicted to percocet and i skipped a bunch of games at the end.

BUGS BUNNY

Yeah.

Bugs Bunny smokes cigarette. He feels the wind on his fur.

BUGS BUNNY (CONT'D)

Welp see ya.

INT. LAKERS LOCKER ROOM - DAY

JOSH HART

This is our year.

KYLE KUZMA

We're going all the way this year.

LONZO BALL

(clapping like 30 times)

This year we're going all the way.

JOSH HART

Lakers baby. We're bringing the trophy home to Los Angeles.

LONZO BALL

That's where we are and that's where the trophy will be when we win it and that's right.

KYLE KUZMA

What we could do is. What we could do is get a couple drinks in after this. We drink a bit and hit a club. There's so many clubs in LA. We go to one of these clubs and we find some girls or even just one girl. We talk to her or whatever and I bet because we're basketball players we could find one girl who wants to have sex with us. We could go to a hotel or a home and have sex with her. We're so famous I bet we could find at least one girl who wants to do that. And hey, if we can't at least we gave it a shot.

KENTAVIOUS CALDWELL-POPE

What.

KYLE KUZMA

Tyronn Lue blows a whistle.

TYRONN LUE

Practice time! Let's practice basketball.

The players run out to the court.

TYRONN LUE (CONT'D)

LeBron. You ready? Got a big season in front of us this year. The boys are even talking about winning the whole thing.

LeBron rotates something small in his hand.

LEBRON JAMES

Yeah. Yeah I'm ready.

He tosses the small object into his gym bag.

LEBRON JAMES (CONT'D)

Just gotta lace up, I'll see you in a second.

Lue nods and exits. The door closes behind him.

CLOSE ON: The object is a 1 month recovery chip

LeBron begins tying his shoes. The door opens again.

LEBRON JAMES (CONT'D)

Yeah, I'm coming, I'm coming.

LeBron panics and struggles to pull his shorts up. In a frenzy he knees the older boy in the face.

JANITOR (CONT'D)

Oh my god. I'm. I'm sorry.

OLDER KID

What the fuck. What the fuck were you making me do.

LEBRON JAMES

What- I- Making?

The older kid runs away.

BACK TO SCENE

JANITOR (CONT'D)

Floors? I'm here to clean de floors.

LeBron stares ahead.

A 1000 yard stare would not be long enough.

LEBRON JAMES

Yeah-I'm. I'm leaving now.

LeBron grabs his bag and leaves.

INT. LEBRON'S BEDROOM - NIGHT

CLOSE ON: LeBron's phone shows several missed calls and texts from Tyronn Lue.

His phone buzzes again and LeBron turns it off.

He sits in his computer chair playing Paper Mario: The Thousand Year Door. A cigarette butt hangs off his lips.

His arm falls off the armrest and hangs. A disposable tourniquet is loosely tied to his arm.

He sets the controller down and taps a small bag, pouring heroin into the cooker. He mixes the heroin with injection water and citric acid. Next he applies heat and stirs the mixture. He takes the cigarette out of his mouth and puts it out on the table. He tosses the butt into the mixture.

LeBron draws the drug mixture into a syringe.

He flicks the syringe twice to rid the air bubbles.
